Colleagues,

Due to a variety of obligations in regard to campus events, district meetings and accreditation visits, we will not be able to get a quorum today at College Council.

New Meeting Date: Wednesday, March 27
New Meeting Location: Room 801

The Academic Senate has asked that we have a campus-wide meeting on Wednesday, March 27. Renee Pegues has reserved Room 801 for what will be a very important College Council meeting. In particular, we will be reviewing the proposed change to the mission/vision/values statement and will discuss new requirements from ACCJC (see attached memo as part of agenda sent yesterday) in regard to our Annual Report.

We will also provide additional background into the process of updating the mission/vision/values statement. The Planning Task Force meets tomorrow and all are welcome to attend that meeting as well.

For those of you who were planning to attend the College Council today, perhaps this will give you an opportunity to participate in the Honoring Women Veterans this afternoon at 1:00.

Thanks for your support and all you do for our students.
