Greetings,

It is time for each shared governance committee to review its committee charge, reporting relationship, chairmanship, and membership (voting and non-voting) for possible changes for 2021-2022. To assist in this review process, I have attached the **Shared Governance Worksheet for 2021-22** and the current committee information that we have on file for your committee for 2020-2021. As we did last year, College Council is also requesting a list of completed tasks for 2020-21 for your committee. I have included this as page 2 in the Governance Worksheet.

Remember when you are reviewing committee "membership," you are reviewing for the position, not the person assigned to the committee. Committee assignment will take place through the President, Vice President, Dean, Academic Senate, Classified Senate, Student Senate, and Faculty Association processes prior to committee meetings in the fall. However, if you do see a correction to a name for 2020-2021 at any time, please let me know and I will make that correction immediately.

Please review this information with your committee and complete the attached Governance Worksheet for 2021-2022. Per the Committee Academic Year Timeline, please submit your Governance Worksheet to me by Friday, March 19 for review in the March College Council meeting.

Thank you and please let me know if you have any questions.
