Three-Year Planning Template for Non-Degree/Other Courses

Name of Department:	Humanities Certificate of Achievement

When planning assessments for courses that are not part of a degree you are assessing, consider selecting SLOs that correspond to a theme, concern, or questions that your department would like to learn more about. This information can also be used when writing your program review. Briefly explain what you would like to find out.

We plan to look closely at the following PSLO during this cycle to assess an important outcome for our HUMN courses, one that is emphasized in different ways in a few of our courses.

PSLO 1. Discuss important themes expressed in material culture and belief systems as seen throughout global history.

Instructions:

1. In the Course column, list the courses that will be assessed.
2. For each semester, indicate which CSLO(s) you plan to assess.
