# Degree-Granting Programs

**Name of Department:** Philosophy, Part 1 (PSLO: Evaluate and apply theory)

**Complete a separate template for every degree & certificate.**

This SLO planning template is in two parts because there was not enough room to list all our relevant courses. This part focuses on the SLO requiring students to be able to evaluate and apply abstract philosophical theories. We are planning a longitudinal study of our second PSLO. So this PSLO will be evaluated just one year during the 3 year cycle. Because of the unusual circumstances we find ourselves in now with Covid 19, we plan to evaluate in the last year when things have hopefully normalized.
