Dear LPC Community,

Please come early to the Town Meeting on **Wednesday, April 2 at 2:00** to share in a **Thank You Reception** outside 2420! Elena Cole and I want to thank the College Community for coming together to create the documents for our Pre-Assessment Accreditation Process that began last Fall. I know our Committee Chairs and their membership and Departments have been working hard to complete their mapped accreditation standards forms which are due on Friday, April 4. We want to take this opportunity to personally thank you for your dedication to this very important process.

Please join Elena Cole and I for a snack and conversation before Town Meeting.

Janice Noble, Ph.D.
