College Updates

COVID-19

- Our Board of Trustees recently voted to suspend the COVID-19 vaccine mandate effective April 24, 2023
 - Coincides with the start of the 2023 summer/fall registration period
 - Ends the online vaccination verification process and the need for Cleared4 Blue Pass
 - Ends requests for vaccination exemptions
- No longer campus-wide communications regarding positive COVID cases on campus (effective immediately)
- Alameda County guidance regarding Masking (optional but can require masks in personal space)

College Updates

Town Meetings

- Last Town Meeting in which there will be a live stream
- May Town Meeting is all about awards and recognitions
 - In-person, with no streaming option
 - an event and an opportunity to celebrate our colleagues
- Town Meetings for 2023-24 will be held in-person
 - will be recorded and made available for viewing following each meeting

College Updates

I received and reviewed the Faculty Hiring Prioritization Committee's (FHPC) recommendation for faculty hiring for the 2023-24 academic year.

The following faculty positions will move forward for hiring for the 2023-24 academic year:

- | | |
|---|--------------------|
| • Geologist/Geology | Replacement |
| • Counselor General (50% Athletic Counselor) | Replacement |
| • Computer Information Systems | Replacement |
| • Music | Replacement |
| • Biology/Anatomy/Allied Health | New |

College Updates

I received and reviewed the 2022-2023 Classified and Administrative Position Recommendations from the Resource Allocation Committee (RAC).

The following positions will move forward for hiring to start in the new fiscal year (July 1, 2023):

- **Library Technician**
- **Performing Arts Center Operations Coordinator (100%/12mo)**

THE TEACHING INSTITUTE

Post-Pandemic Instruction

Join us for an evening of lively discussion over dinner

Date: March 29, 2023 / 5:30 - 8:30 pm

Location: Canton Village / 1070 E. Stanley Boulevard Livermore, CA 94550

RSVP Required: Email Frances Hui / fhui@laspositacollege.edu

Made possible by the Professional Development Committee

The Teaching Institute

[Mission](#)
[Organizers](#)
[Meetings](#)

Mission

Following the structure previously established for Teachers Teaching Teachers (TTT), which was modeled after the California Great Teachers Seminar, LPC faculty will gather at an off-campus site, share a meal, and discuss best practices. The off-campus site encourages focus and a spirit of innovation, as conferences are designed to support. Providing a meal builds community and energy among group members.

The meeting agenda will be set in advance by the organizers and the activities for each meeting will emerge from participant interest. The main goal of the Teaching Institute is to give participants an opportunity to engage in inter-disciplinary discussions on effective teaching methods and strategies that will support the needs of all students.

**Facilities Modernization Program
Measure B & A - Project Report**

March 1, 2023

PROJECT PROGRESS REPORT

B2100 New Academic Support & Office Building

LAS POSITAS COLLEGE
March 1, 2023

Project Team

Architect: LPAS

Construction Manager: Swinerton Management & Consulting

Contractor: Flint Builders, Inc.

Project Description:

The new Academic Support and Office Building is being built in the location of old buildings 2100 & 2200. The project consists of the following elements and programs: English Center incorporating classrooms, computer lab, tutoring center and study areas. Math Center incorporating classrooms, labs and the Math Emporium program. Computer Studies including computer labs, networking, maker space. Renovation and Expansion of library functions including reference desk, study areas, computer lab, staff offices and library operational support spaces. 80 Faculty offices, Dean's suite, Adjunct Faculty Spaces, and student gathering and support spaces throughout the building.

Project Update:

- Phase 1 of parking Lot F repaving complete. Phase 2 will happen in May 2023.
- Final painting, flooring, linear ceiling, elevator install work and exterior breezeway ongoing.
- Library renovations to office spaces complete.
- Library addition interior finishes, data cable install, electrical and mechanical trim ongoing.

Occupancy: Fall 2023

PROJECT PROGRESS REPORT

Public Safety Complex/Advanced Manufacturing And Transportation

LAS POSITAS COLLEGE

March 1, 2023

Project Team

Architect: Lionakis

Construction Manager: Vanir Construction Management, Inc.

Contractor: Overaa Construction

Project Description:

The new Public Safety Complex (PSC) and Advanced Manufacturing and Transportation (AMT) building will be co-located to allow for shared linkages between the various programs, classrooms and event spaces. The buildings will be built near the existing track and field in the northeastern portion of the upper campus. The PSC project consist of the following elements and programs: EMS Simulation Lab and Situation Rooms, Administration of Justice, Matt room, and Fire Training with Class A burn areas. The AMT project will include an automotive tech facility, welding lab, Tool room, and classroom and lab spaces to provide training of advanced manufacturing processes. Faculty Offices, Dean's suite, Part Time Faculty offices, and support spaces will also be included in the building.

Project Update:

- Building interior finishes including paint, ceilings, doors, cabinets, bathroom partitions and accessories are progressing towards completion.
- Risk Mitigation Apparatus Mechanical, Electrical and Plumbing items are progressing.
- Site curb and gutter are nearing completion, asphalt sub-base and first course are in progress, landscape irrigation and bioretention areas are in progress along with site fencing.

Occupancy: Fall 2023

PROJECT PROGRESS REPORT

AG SCI: Viticulture Facility Project

LAS POSITAS COLLEGE
March 1, 2023

Project Team

Architect: tBP/Architecture, Inc.

Construction Manager: Roebbelen (RCMS)

Contractor: Beals Martin & Associates

Project Description:

The New Viticulture Facility will replace the existing facilities currently located in/outside of Building 800. The Viticulture Facility will be located adjacent to the New Horticulture Facility at the upper NE part of campus. The project will include general site grading and utility infrastructure; A Visitor Center with Tasting room, visitor Parking and clear paths of travel, A Winemaking Facility including classrooms and Labs, Faculty office and resource areas, Crush pad, Equipment storage, cold storage, and an Outdoor Patio.

Project Update:

- Grading for pads complete.
- Storm lines installed for both buildings.
- Trenching for sanitary sewer connection in progress.
- Continue layout of remaining underground utilities.
- Upcoming layout of footings, follow by footing excavation.

Occupancy: Winter 2023/24

PROJECT PROGRESS REPORT

B100 Temporary Classroom Removal & Restoration of Site

LAS POSITAS COLLEGE
March 1, 2023

Project Team

Architect: Cupples Keller Design
Construction Manager: Swinerton Construction
Contractor: TBD

Project Description:

The removal of B100 modular classroom buildings. Site restoration of the area and in front of the B2400 Multi-Disciplinary building will provide a welcoming entrance to the campus from the campus bus stop. New walks, paved seating spaces, landscaping, and trees, lighting, signage and 2 new flag poles.

Project Update:

- Bidding in progress with Board approval March 2023.
- Start Construction Spring 2023
- Project Completion anticipated Fall 2023

Occupancy: Fall 2023

PROJECT PROGRESS REPORT

STEAM – Sciences & Arts Building

LAS POSITAS COLLEGE
March 1, 2023

Project Team

Architect: TBD

Construction Manager: TBD

Contractor: TBD

Project Description:

The new STEAM Building will be developed in the footprint of the existing B600 and B800 bldgs. and adjacent to the campus boulevard. The New STEAM building will have the following elements and programs will reside in the building. Laboratories and preparation spaces for STEAM related programs, Classrooms, Computer Labs, shared Meeting rooms and workrooms. Faculty offices and Shared Adjunct space. Arts, Media and Photography Programs, Outdoor Garden and Display area. Amphitheater Renovations and Renovation to B1800. The Demolition of existing buildings 600, 800 and adjacent covered walkways are included in this project.

Project Update:

- RFP for Design services was issued on 2/2/23.
- Interviews for design services will take place on 3/24/23.
- Anticipated board approval at the April 2023 Board Meeting.

Occupancy: Fall/Winter 2026

College-Going Rates of Students from Dublin, Pleasanton, and Livermore Unified School Districts

Rajinder Samra

Director of Research, Planning and Institutional
Effectiveness

College-Going Rates of Students From Dublin, Pleasanton, and Livermore Unified School Districts

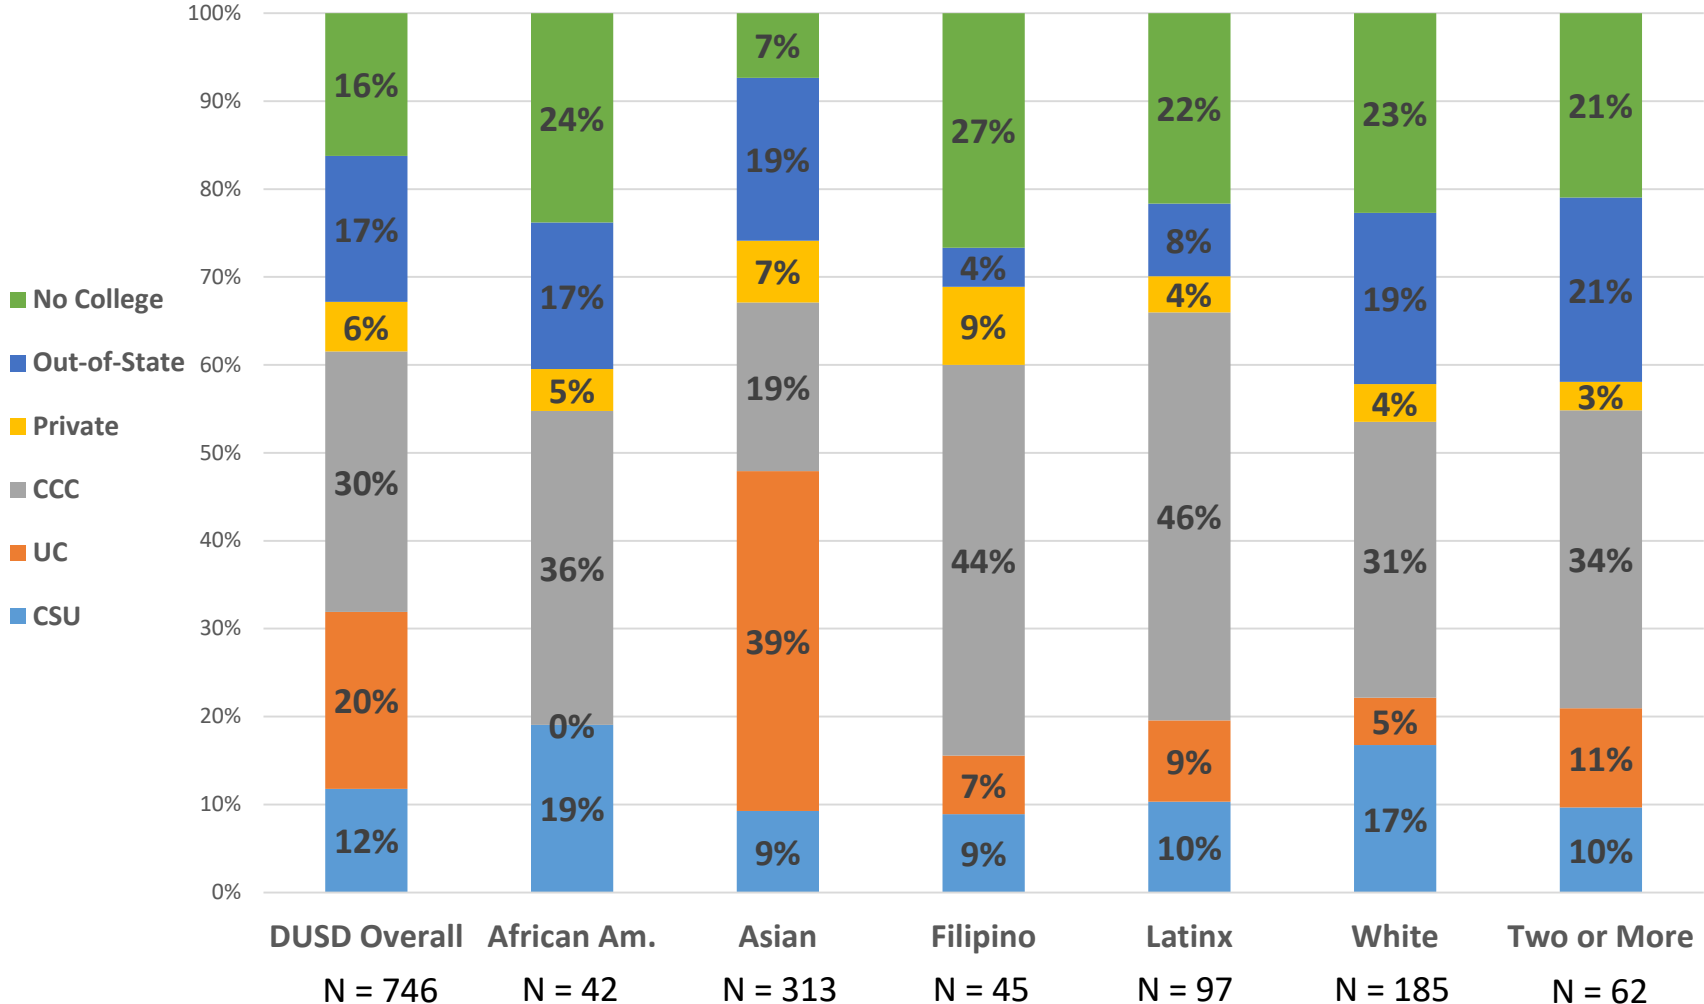

PRESENTER: RAJINDER S. SAMRA
DIRECTOR OF RESEARCH, PLANNING, AND INSTITUTIONAL EFFECTIVENESS

MARCH 1, 2023

Las Positas College's Town Meeting

Dublin Unified School District

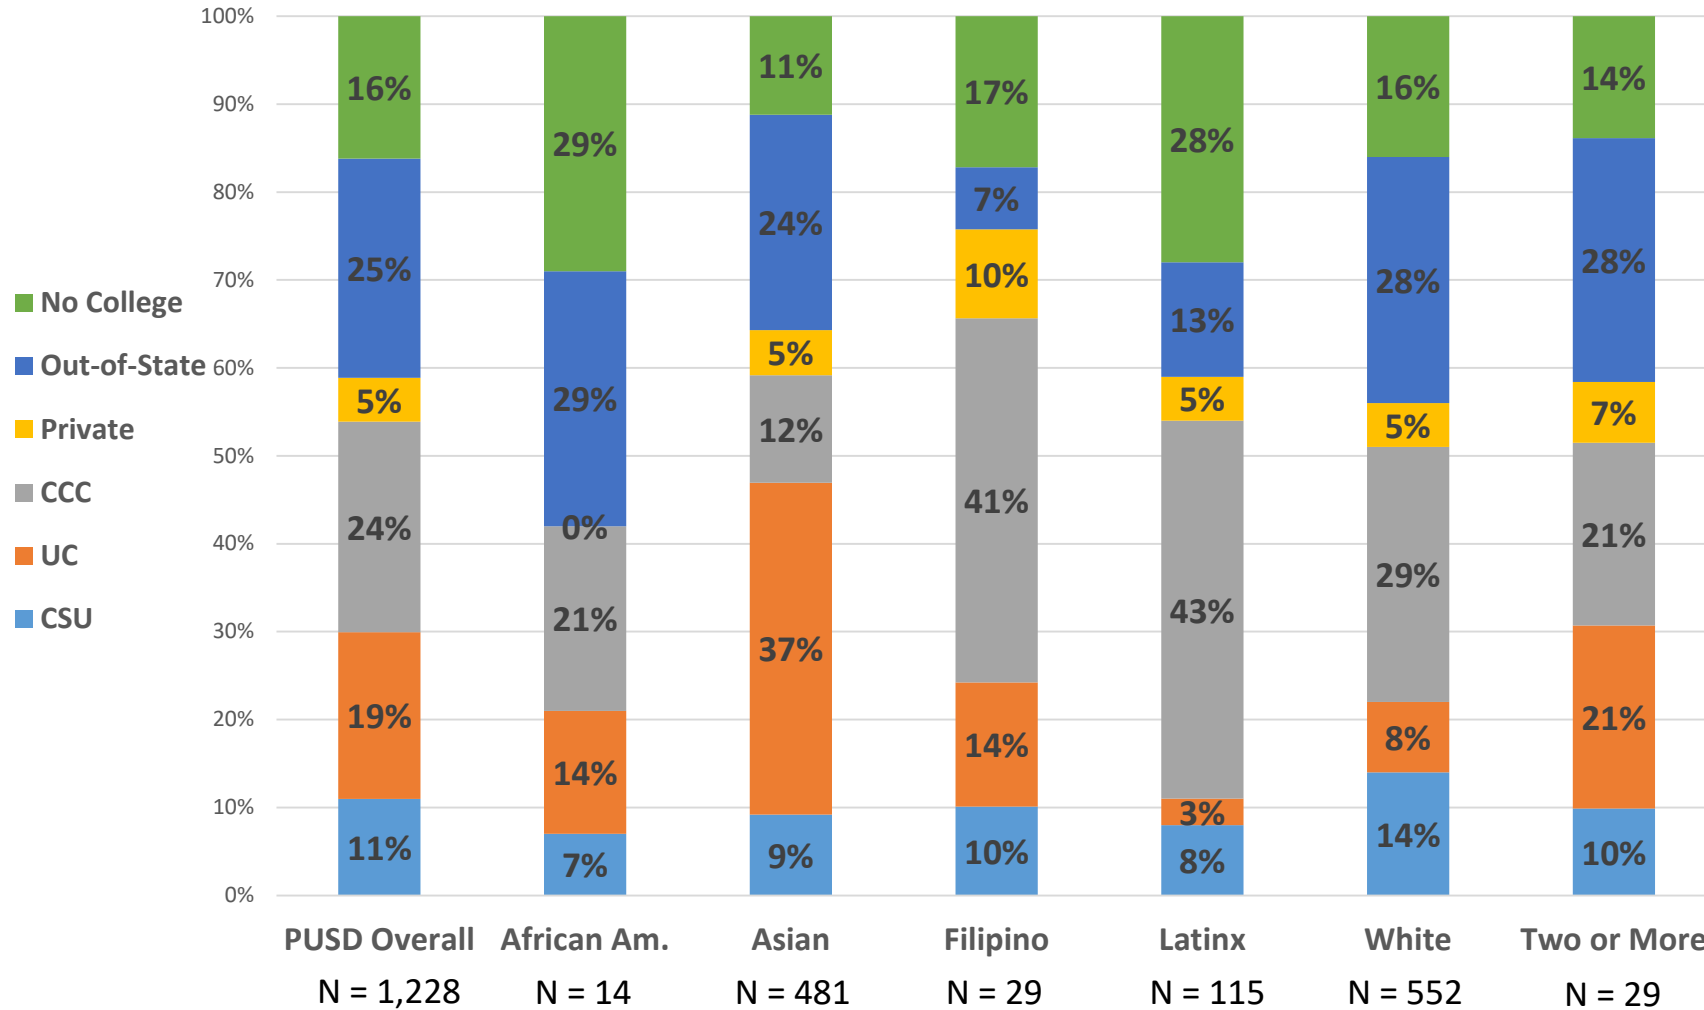

2019-20 College Going Rates of Dublin Unified School District by Race/Ethnicity and Institution Type

Source: California Department of Education.

Pleasanton Unified School District

2019-20 College Going Rates of Pleasanton Unified School District by Race/Ethnicity and Institution Type

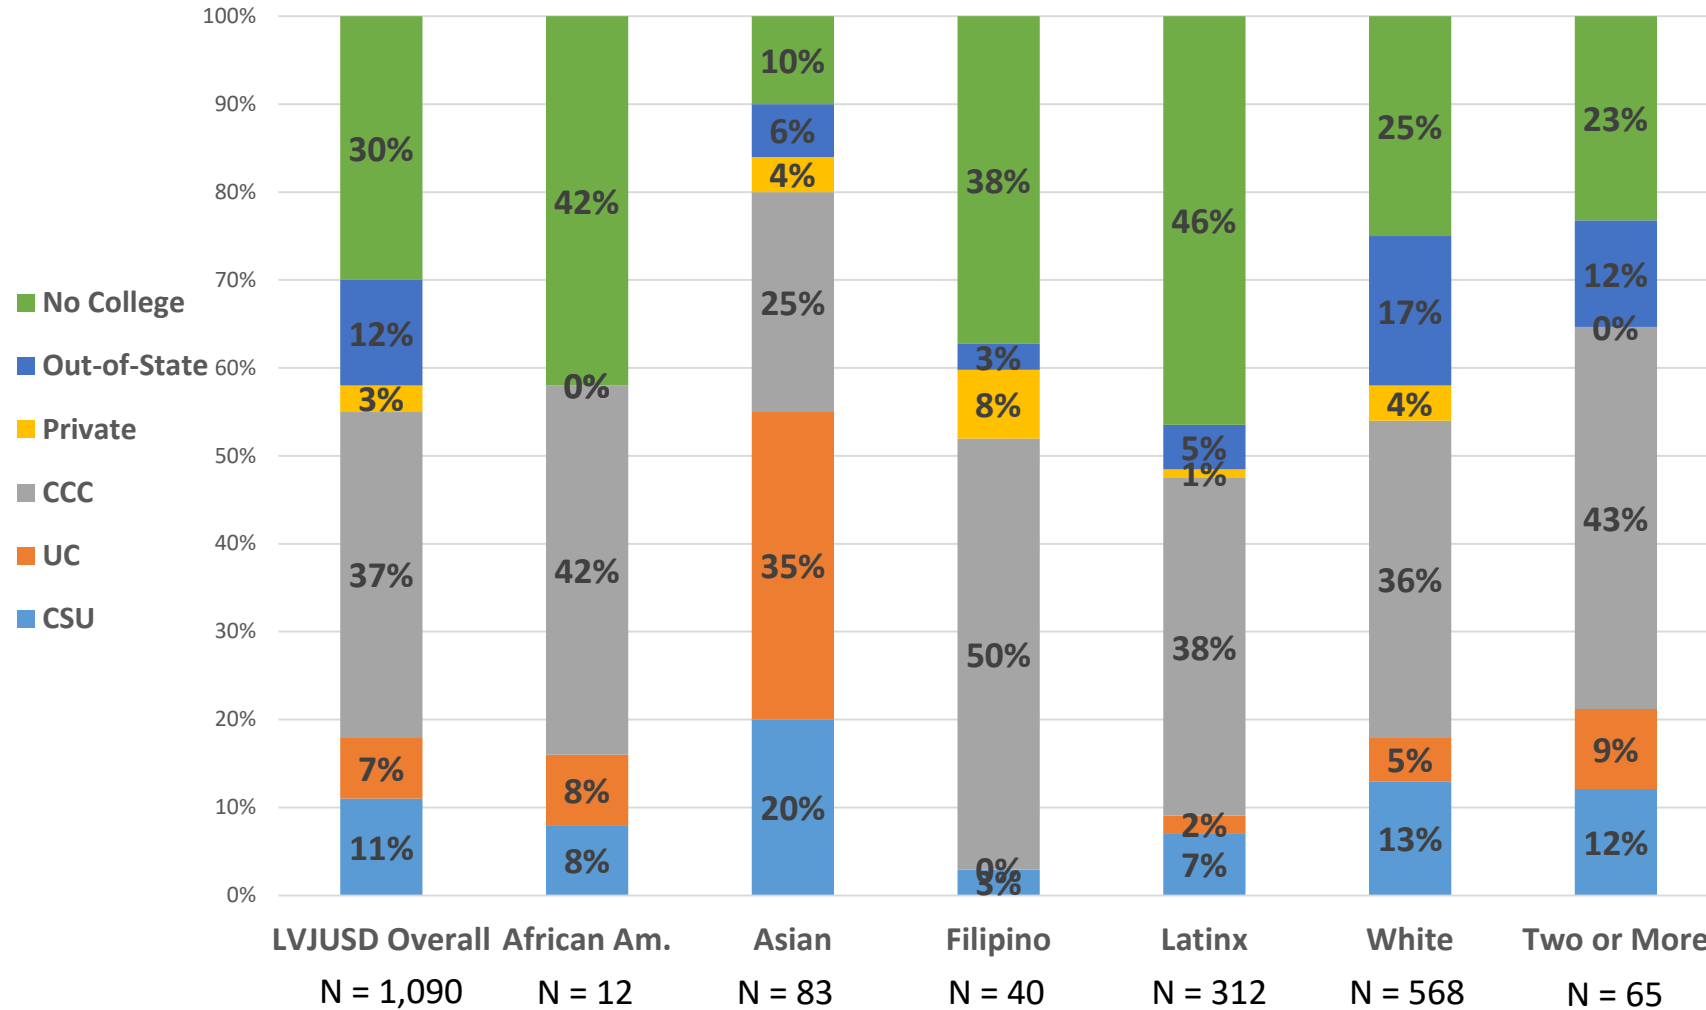

Source: California Department of Education.

Note: Native American, Pacific Islander, and unknown not reported due sample sizes of fewer than 10.

Livermore Valley Joint Unified School District

2019-20 College Going Rates of Livermore Valley Joint Unified School District by Race/Ethnicity and Institution Type

Source: California Department of Education.

Note: Native American, Pacific Islander, and unknown not reported due sample sizes of fewer than 10.

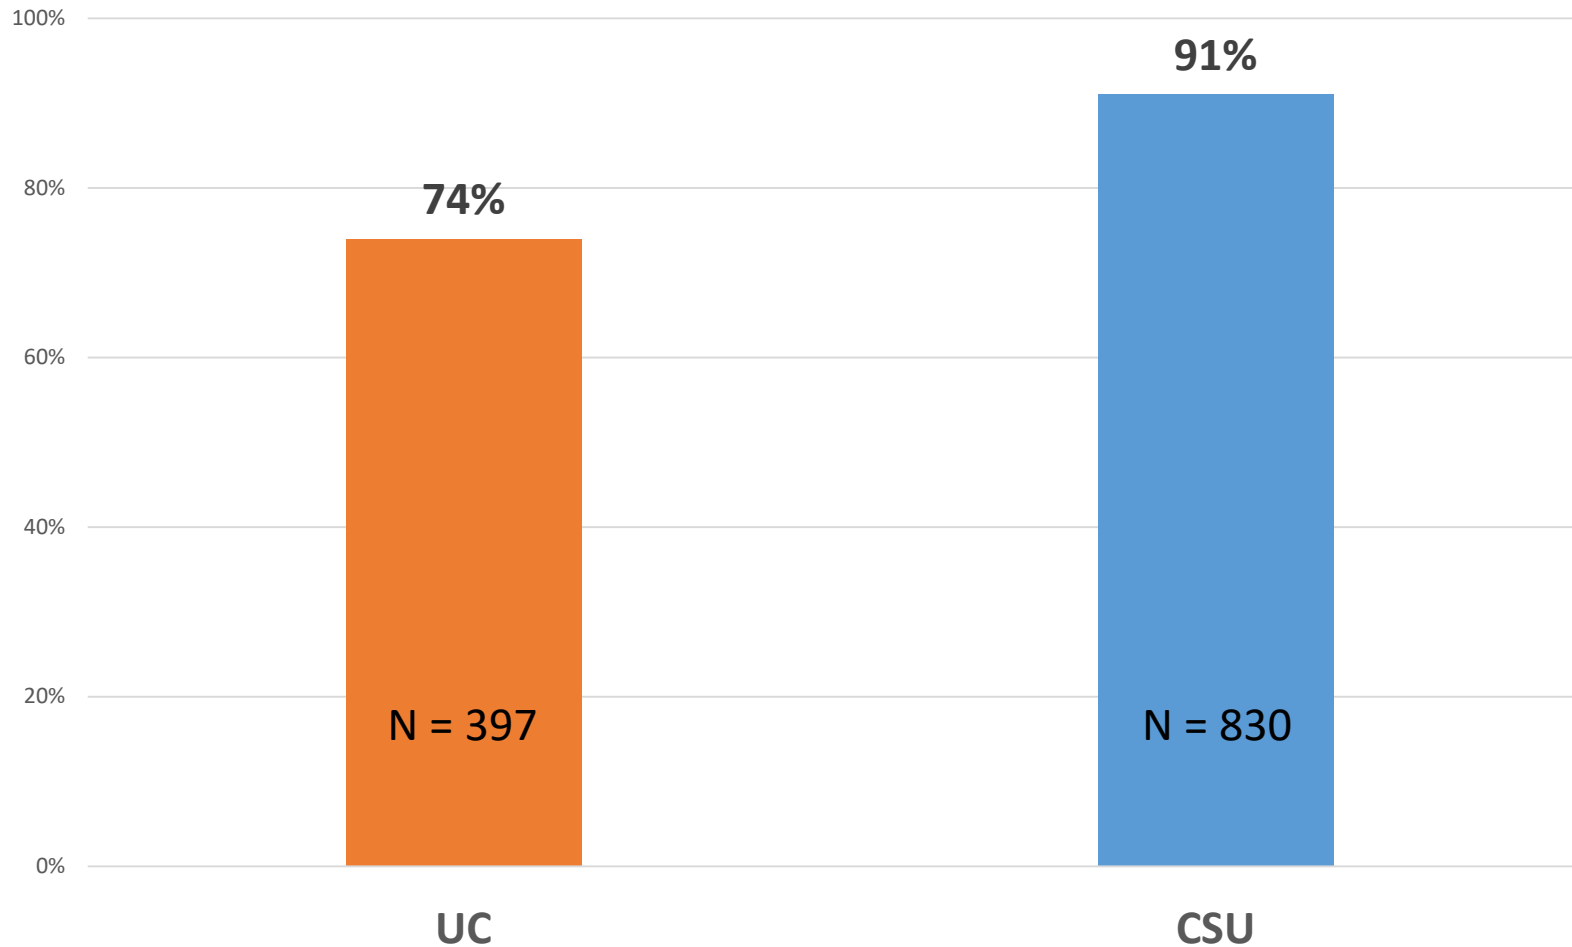

Key Takeaways

- Around 3,000 high school students graduate from Dublin, Pleasanton, & Livermore each year
- Dublin and Pleasanton have the highest college-going rates (84%)
- Livermore's college-going rate matches Alameda County rate of 70%
- Around 920 high school graduates (30%) attend a community college

Key Takeaways

- Dublin's student population is increasing while Pleasanton's decreasing
- Livermore's student population numbers are relatively stable with a slight increase expected in Asian students
- Overall, Asian students are expected to increase the most in our three cities but are the **least likely** to attend community college.

Las Positas College Transfer Students Acceptance Rates to UC and CSU

Source: UC Information Center, CSU Data Center.

Note: UC acceptance rate is for 2020-21 and CSU acceptance rate is for fall 2021.

OUTREACH EVENTS

Summer Camps 2023  **6 Camps to choose from!**

Biotech Bootcamps
Intro to Biotechnology: June 19-22, 2023 | 10am to 3pm | Room TBD
Intermediate Biotechnology: June 26-29, 2023 | 10am to 3pm | Room TBD
\$100 per student per session
Age Group: 16-18 Years
Biotechnology is used to diagnose diseases, make vaccines, solve forensic cases, and improve the food we eat. In this week-long camp you will get a chance to utilize some basic molecular biology tools used in biotech to observe and analyze cells, viruses, proteins, and DNA. Students are encouraged to enroll in both courses.

Digital Media Character Design Camp
June 12-15, 2023 | 9am to 2pm | Building 700, Room 714
\$100 per student per session
Age Group: 14-18 Years
Have you ever wanted to create your own character and bring it to life? Designing a captivating character is vital for graphic novels, movies, video games and many other industries. In this summer camp, we will draw and paint your own character in Photoshop, taking style, costuming and props into consideration, as well as expressions and gestures.

Digital Media Creature Design Camp
High School: June 26-29, 2023 | 9:00am to 2:00pm | Building 700, Room 714
Middle School: July 10-13, 2023 | 9:00am to 2:00pm | Building 700, Room 714
\$100 per student per session
Age Group: Middle School 11-14 Years, and High School 14-18 Years
Learn the fundamentals of creature design! Whether your creature is a faithful companion, adorable pet, or evil boss, creatures are vital to the creation of any fictional universe. Many illustrators focus on creature design, creating works for movies, games, and animation. In this camp, we will use Adobe Photoshop to sketch and paint our own creature, taking into consideration their anatomy, environment, and behavior.

JILL OLIVEIRA

Coordinator/Counselor

- I counsel all students served by the suite as well as provide coordination to the EOPS and CARE programs.
- I have a BA in Psychology from CSU Chico and an MS in Counseling from CSU East Bay. I have worked at LPC in the EOPS program since 2001.
- Fun fact: I love to read. In addition to uncounted paperbacks and hardcovers, my Kindle library is currently at 1160 titles.

MELISSA BROWN

Counselor Assistant II

EOPS/CARE Counselor Assistant II

Started at LPC as a Student Assistant and was hired full-time in the EOPS/CARE program in 2013.

MICHELLE ZAPATA

Counselor/Instructor

- EOPS/CalWORKs counselor and instructor in Psychology-Counseling discipline.
- Started at LPC in 2010, as a counseling intern and hired full-time in 2014. Worked at DVC for 3 years, and worked as a Policy Analyst for the U.S. Congress for 8 years.
- Master of Arts in Counseling, Saint Mary's College; Master of Public Administration, University of Washington; and Bachelor of Arts in Political Science, UC Berkeley.
- I ran the Monterey Bay half marathon, I have a one-eyed dog, I am currently learning how to play Pickle Ball!

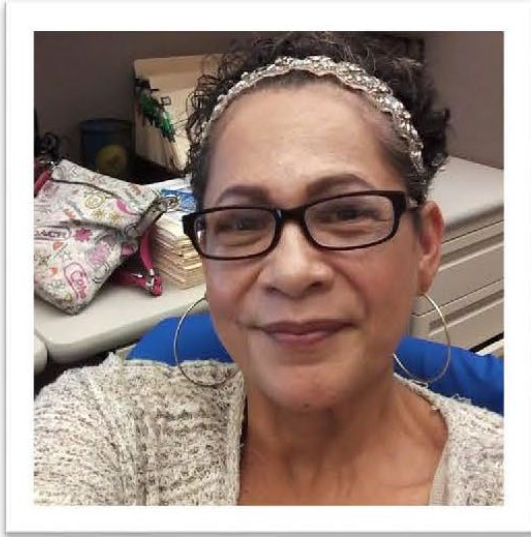

AMANDA INGOLD

Coordinator

- CalWORKs Coordinator and Foster Youth Liaison
- Started at LPC in 2014 as part-time CalWORKs Counselor Assistant, then Student Services Assistant supporting the Office of Student Life, the VPSS office, and the HSI grant. Hired as the full-time CalWORKs Coordinator in 2018.
- Bachelor of Arts in Theology & Philosophy, Point Loma Nazarene University. Graduating May 2023 Master of Arts Equity & Social Justice in Education, SFSU.
- I love outdoor activities and ALL crafts, I have worked within social service-focused fields for 16 years, I always dress in bright and colorful outfits.

MARIA GLIDDEN

Counselor Assistant II

- EOPS/CalWORKs Counselor Assistant
- Direct support to students within the CalWORKs & CARE programs
- Bachelor of Arts in Sociology, CSU East Bay; Master of Arts in Sociology, CSU East Bay
- Fun Facts: I enjoy reading horror stories, listening to True Crime Podcasts, and Diamond Painting.
