

SEA and MLEA had their first meetings on Thursday, Sept. 21.

1. SEA discussed an “Equity Guidance Document” draft intended to guide the inclusion of our entire community in equity work through 2025.
2. MLEA continued to discuss changes to CLASS-WEB that would facilitate math and English placement between the two colleges, ESL and English curriculum changes and course offerings, and the plan for spending AB1705 monies, which will total approximately \$400,000.00.
