

Have you completed 6 Early Childhood Development units with a "C" or better?

Are you interested in obtaining a Child Development Permit?

NOW IS THE TIME

WHY DO I NEED A CHILD DEVELOPMENT PERMIT?

- ❖ **THERE ARE \$\$ TO SUPPORT YOU GETTING IT RIGHT NOW.** (Minimum requirements include completing 6 ECD units with a grade of "C" or better. No need to be currently working with children to apply at the 6 unit level.)
- ❖ **THERE ARE MANY EMPLOYERS IN THE FIELD THAT WILL REQUIRE YOU TO HAVE A CD PERMIT** and those numbers are increasing
- ❖ **IT REFLECTS A HIGHER EDUCATIONAL STANDARD FOR THE FIELD**
- ❖ **A CD Permit is VALID ALL OVER CALIFORNIA**
- ❖ **THERE ARE PROFESSIONAL DEVELOPMENT COORDINATORS TO HELP YOU APPLY AND THEIR SERVICES ARE FREE.** The state of California is cutting programs everywhere so funding to assist students in getting their permit will be very limited after June 30 and may disappear later in the year.

- ❖ **Call Jeanne @ 925.424.1187 or Christie @ 925.424.1188.** They have CD Permit applications and are ready and waiting to assist you.
