

INTERESTED IN TAKING MATH CLASSES TO REACH GRADUATION REQUIREMENTS ????

This is a unique opportunity for ECD students to take 3 Math Classes that have been designed just for ECD students!!!!

- All your classmates are ECD students
- Assignments related to working with young children
- Instructors dedicated to your successful completion

Only a “Few” spots left

Requirements:

- Commit to completing all 3 math classes (to meet graduation requirements)
 - Math 107 – Spring, 2012 – 4 units
 - Math 65 – Fall, 2012 – 5 units
 - Math 55 – Spring 2013 – 5 units
- Completed 12-13 ECD units with a “C” or better (by end of Fall, 2011)
- Currently hold or apply for Child Development Permit (December, 2011)
- Be comfortable using the computer and internet
- Have a strong dedication to working collaboratively with other ECD students in completing these 3 math classes
- Be willing to participate in some pre & post evaluations (for statistical purposes only)
