

Alameda County shares a rich diverse culture with children and families. For the second year, two conferences, Our Focus: The Child and Creciendo Juntos: Educadores, Niños y Familias are joining together. Do you have some new insights, resources, great ideas, information and/or discoveries that you would like to share with other Early Childhood professionals? We need a wide variety of workshops that can be offered in English as well as other languages for early childhood professionals who educate and care for infants and toddlers, preschoolers, and school-age children in a variety of settings.

If you are interested in presenting a workshop, please take a few moments to fill out the workshop proposal application for consideration by the conference committee. We expect the conference attendees to represent many different types of programs, levels of knowledge and experience. There will be a **\$125** honorarium for presenting one workshop and **\$175 for presenting the same workshop twice**.
