

INTERNSHIP

Organization: Tri-Valley CAREs

Location: Livermore

Job Title: Sustainable Science Intern

Job Description:

- Research alternative sustainable projects that Livermore Lab could conduct
- Research alternative employment options to nuclear weapons
- Research and create budgets for clean-up proposals for long term management of radioactive and hazardous waste
- Create fact sheets, tables and articles in conjunction with staff

Qualifications/Requirements:

- Excellent research skills
- Advanced reading and writing skills
- Physics or chemistry background
- Team player and work in an atmosphere of consensus

Wage: Unpaid

Hours: Flexible schedule

Duration: Available on an ongoing semester, quarter or summer basis

Additional Comments: Upon successful completion of an Internship, we offer interns letters of recommendation and assistance in finding other internships or work. Interns will need to provide their own transportation.
