Dear Chief Harris,

I would like to request crime statistics for the locations described below for the 2017 calendar year. Pursuant to the federal Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act ("Clery Act"), Las Positas College is required to annually compile and publish crime statistics. This annual report must include statistics of specified crimes reported to local police agencies that occurred on or near campus and on college controlled or affiliated property.

The criminal offenses that the campus is required to report are the following offenses as defined by the FBI Uniform Crime Report (sex offenses are defined using the UCR-National Incident-Based Reporting System): murder/non-negligent manslaughter; negligent manslaughter; forcible sex offense; non-forcible sex offenses; robbery; aggravated assault; burglary; motor vehicle theft; arson; domestic violence; dating violence; and stalking. In addition, I need statistics concerning any of the above crimes that manifest evidence of a hate crime, in those crimes that manifest evidence that the victim was intentionally selected because of the victim's disability, ethnicity, gender, religion, race, sexual orientation, national origin or gender identity. Las Positas College is also required to request statistics for arrests for these categories only: liquor law violations, drug law violations, and illegal weapons possession. Please provide these statistics for each category separately.

Pursuant to the Clery Act, the campus is required to report these crimes separately for a number of geographic locations. These locations include the main campus, on-campus student resident facilities, off campus building or property that is owned or controlled by the college, or a recognized student organization such as a fraternity, and public property immediately adjacent to the main campus.

Therefore, I respectfully request the required statistics for the following locations:

- 3000 Campus Hill Drive
- 2451 Portola Avenue
- Public property within or immediately adjacent to and accessible from the campus

I very much appreciate your cooperation in assisting us in complying with this federal law. If you have any questions or wish to further discuss this request, please contact me at (925)424-1649

Sincerely,

Sean Prather
