━ English Guided Self Placement Information

The English Guided Self-Placement will help you determine which transfer-level English class is best for you.

If your cumulative, unweighted GPA from a U.S. high school is 2.5 or above, we recommend English 1A, but if you would like additional lab hours to provide more support and practice, you can also choose English 1AEX.

If your cumulative, unweighted GPA from a U.S. high school is below 2.5, we recommend English 1AEX, but if you feel that your GPA does not capture your improved organizational skills or if you are in a high-unit major, you may choose English 1A.

If you received a G.E.D. or a diploma from a high school outside the U.S., we recommend seeing a counselor.
