LAS POSITAS COLLEGE
COURSE PREREQUISITE POLICY and PROCEDURE

Prerequisite means the preparation or previous course work considered necessary for success in the course. Las Positas College **REQUIRES** students to complete prerequisites as a pre-enrollment preparation. (See Prerequisite Challenge Procedures for conditions under which a prerequisite may not be required.) Prerequisites which are listed in the College Catalog include:

- 1) Courses for which specific prerequisites have been validated,
- 2) Sequential course work in a degree-applicable program, and
- 3) Courses in which a prerequisite is necessary for transfer to a four-year college.

Questions about prerequisites are best resolved with a counselor. The challenge process may take 14 working days. **Please note that submission of a completed application does not guarantee approval and admission to the course.**

PREREQUISITE CHALLENGE PROCEDURES

A prerequisite challenge requires written documentation, explanation of alternative course work, background or abilities which adequately prepare the student for the course (see Page One). A Prerequisite Challenge Form **must be obtained from the Counseling Office**. Reasons for filing a prerequisite challenge may include one or more of the following:

- 1) A prerequisite is not reasonably available;
- 2) The student believes the prerequisite is discriminatory or being applied in a discriminatory manner;
