

Las Positas College

Computer Use Policies

Using the computers is a privilege, not a right.
You must follow these policies to retain lab access.

YOU MAY NOT:

- bring food or drinks into the Computer Center
- view offensive websites or files
- disturb others with noise from cell phones, headphones, or talking
- download any files without proper license
- play games or enter chat rooms
- harass other users verbally or physically
- create or introduce computer viruses
- restrict access to or damage LPC systems or data
- alter the configuration or contents of hard drives
- install software from home or the Internet
- alter data belonging to another user

**Computer Screens Are Routinely
Monitored for Appropriate Use**
