ACADEMIC SERVICES SUPPORT

Campus Resources

Library (Learning Resources Center, LRC)

The Library at Las Positas College is located in Building 2000. The mission of the Library is to provide the information services and resources required to meet the needs of the educational programs of the College. It exists to facilitate and improve learning by supporting and expanding the instructional capabilities of the College and providing students with the opportunity to develop information competency skills for lifelong learning. The Library offers reference and instructional services to meet the needs of students, faculty, and staff. The Library encompasses all types of print, non-print, and online resources including a wide variety of books, audiovisual materials, magazines and newspapers, and full-text periodical databases. The Library also provides access to course textbooks placed on reserve by faculty. The Library maintains an extensive website that provides access to the Chabot-Las Positas College Libraries online catalog, online databases, and research and instructional guides. The Library facilities include computer labs, study carrels, and group study rooms. Registered students, faculty, and staff with current College ID cards may check out books and materials from both the Las Positas College and Chabot College Libraries.

Tutorial Center

The Tutorial Center, located in the Multidisciplinary Building, (Room 2401), is dedicated to providing the support and assistance

students need to be successful in their course work and study skills. Scheduled and drop-in tutoring in specific content areas, study skills assistance, online tutoring, reading and writing help, and a quiet place to study are provided free of charge. Student tutors are recommended by faculty members for their positions and receive course credit for tutor training. Students are invited to request tutoring, seek positions as tutors, or use the study Tutorial Center facilities at any time during the spring and fall semesters. For more information, study help, instructions to sign-up for online tutoring, and current hours go to the Tutorial Center website at: www.laspositascollege.edu/tutorialcenter/

Reading and Writing (RAW) Center

The RAW Center offers free one-on-one tutoring for reading and writing assignments for any class in which reading and writing is required. English and ESL instructor-tutors will also assist with transfer application and scholarship statements. We also offer online reading and writing support. For more information, including hours of operation and online lessons, please visit the RAW Center website at: <http://www.laspositascollege.edu/raw/index.php>

Computer Center

The Computer Center located in room 803 is a quiet open computer lab equipped with PC and Macintosh computers, printers, and helpful staff. Computers are available for currently enrolled students on a "first come, first served" basis. Printing from campus computers requires a print fee card, which can be purchased from the Bookstore or the card dispensers in the Library and Computer Center. For more information <http://www.laspositascollege.edu/computercenter/>.

Integrated Learning Center (ILC)

The Integrated Learning Center in Building 600 houses the Mathematics Learning Center and attached labs for English as Second Language courses.

Mathematics Learning Center

The Math Learning Center provides recommended support to students in math through credit or tuition-free (noncredit) support courses that are aligned with the math course and designed with innovative strategies to provide math and learning support while taking a math class. Free drop-in math help is also offered to students enrolled in Las Positas College mathematics classes through enrollment in the noncredit NMAT 202C course. The Math Learning Center is staffed with LPC Mathematics faculty. <http://www.laspositascollege.edu/ilc/>

English as a Second Language

ESL students enrolled in Reading and Writing courses will complete a weekly one hour lab assignment in the Integrated Learning Center. Students will complete lab assignments with a focus on grammar, vocabulary, reading and writing skills, in groups and/or independently with the support of an ESL instructor. Students can also access other learning support materials located in the lab.
