

## Module 6: Instructions for the PPT presentation

The following PowerPoint presentation (PDF file) is a summary of the unit material. As you watch the presentation, take notes about key ideas of the Myers-Briggs Type Indicator (MBTI) and how to understand your MBTI career report. Pause the presentation whenever there's something you don't understand and write down your question (for the anonymous check in survey). You'll be asked to explain your MBTI type in this week's discussion.
