**STUDENT EQUITY & ACHIEVEMENT (SEA) PROGRAM**

Student Equity & Achievement (SEA) program, created by the California Legislature, is a new program designed to help students succeed at Las Positas College. The program defines responsibilities of both the College and its students. The SEA program requires that students complete orientation, assessment, and a student educational plan (SEP) in order to receive priority registration dates at Las Positas College. By completing these core services, students not only receive priority registration, but also get to form a partnership with the College to help them develop and realize their educational goals. The SEA program helps students from the moment they apply until they complete their studies at Las Positas College.

**Core Services**

**Orientation**

To help with students' transition to Las Positas College, an online orientation is offered for all students, including new, first-time college students. Within the orientation, members of the Las Positas College community will introduce students to the College's programs, services, academic regulations, expectations, campus facilities, and student life. Completion of the orientation is required to participate in priority registration at Las Positas College. Visit [www.onlineorientation.net/lpc](http://www.onlineorientation.net/lpc) to access the online orientation. Students must apply for admission before completing the online orientation.

**Assessment**

Effective fall semester 2019, ACCUPLACER, the standardized assessment test offered through The College Board, will no longer be recognized by the California Community Colleges Chancellor's Office for English and mathematics course placement. Students will be required to answer supplemental questions on the admission application to help with proper course placement. Students are also encouraged to submit transcripts from other regionally accredited colleges and universities, and other recognized standardized test results (e.g., Advanced Placement, International Baccalaureate, etc.). Additional information may be obtained by contacting the Assessment Center or the Counseling Department.

**Student Educational Plan**

Students are strongly advised to meet with an academic counselor to develop a Student Educational Plan (SEP). Abbreviated SEPs help students get started at Las Positas College for up to two semesters or terms. Comprehensive SEPs help students map their courses through certificate or degree completion and/or transfer.

**Track Your Progress with DegreeWorks**

Las Positas College now offers a web-based tool to help you keep track of your educational progress. DegreeWorks (DW) allows you to view your Student Educational Plan and confirm what course you have completed, as well as what courses remain, toward meeting your educational objective(s). DW matches your academic and course history, as well as your current course schedule, against the degree requirements as defined in the LPC College Catalog. \* Thinking about adding a major, or changing your goal? DW also gives you the opportunity to explore "What If Scenarios," to determine how your courses meet requirements for programs other than your current declared major. For questions about your educational goal or to change your Student Educational Plan, please visit an academic counselor.

To access DegreeWorks, follow these steps:

1. Visit the LPC Home Page and login to CLASS-Web
2. Once logged in, navigate to the Student Service Tab
3. Scroll down and locate the DegreeWorks link.

\*A degree audit created in DegreeWorks is not official notification of completion of degree or certificate requirements.
