Las Positas College Guided Pathways

Thank you to everyone for all the amazing, hard work that went into making our 2020-2021 year of action a huge success! Please take a moment celebrate what we have collectively done to move this work forward, as it truly was a campus-wide effort. There is a lot more exciting work to come next year as we embrace our charge to ensure equity and enhance the college experience and career preparation for all our students. We look forward to continuing our work with you in the next academic year.

Guided Pathways' Mission

The heart of Guided Pathways at Las Positas College is our diverse student body. The Mission of Guided Pathways is to ensure equity and enhance the college experience and career preparation for all our students. Through our efforts and the guidance of student success teams, we commit to provide opportunities for students to discover, clarify, and enter their pathway, and to persist and succeed in achieving their academic and career goals.
