# VETERANS DAY

## Thank you for your service!

November 11, 2020 | Wednesday  
Free Virtual Event \* 11:00 a.m.

David S. Maurer  
Lieutenant Colonel  
US Army (Ret.)

LEADERSHIP | TRANSITION | MANAGING CHANGE  
Meet U.S. Army Retired Lt. Col. David S. Maurer

Dave Maurer offers a wealth of experience as both a career military officer and a senior leader within the private sector. His corporate leadership pedigree includes service as Executive Vice President and Director for several firms in the Washington, D.C. Metro area. Among other career achievements, he led the nation's largest career transition training program spanning all 50 states, 15 countries and 2 U.S. territories in support of the Labor Department and the U.S. military training over 1.3 million service members and spouses

Dave was commissioned in the Army and served in a wide variety of command and staff positions in the United States and overseas throughout his 22-year military career. His service included tours within the intelligence community and on the Joint Staff in the Pentagon; and culminated as the Adjutant General for the United States Military Academy at West Point.

*Note from Dave: The group photo is at our youngest son's (Chris) graduation from Basic Training at Ft Jackson, SC in 2005. That same afternoon, I promoted his older brother (Dan) to captain. I got back into uniform for that event! Chris is now a Staff Sergeant military police officer at Ft. Drum NY and Dan is a lieutenant colonel Army attorney teaching law at West Point. The civilian is Brian, our middle son.*

### Tentative Agenda:

National Anthem, welcome words from LPC President Foster, and student Veterans' reflections from Dr. Ott's English Course (veterans' cohort). Excerpts from student veterans' writings will be read by Dr. Jim Ott whose students have been writing about their military and life experiences. Join us to appreciate how the lives of veterans follow the stages of what is known in the study of literature as *The Hero's Journey*.

Please RSVP by November 11, 2020 to receive the livestream link.
