Canvas

Like all California Community Colleges, LPC uses Canvas as its learning management system to deliver online courses, hybrid courses, and to enhance face-to-face classes with online resources. Technically sound and easy to use, Canvas is one of the most popular learning management systems in the world.

- Canvas login page
- Canvas login instructions
- Online student readiness tutorials
- Canvas student guide
- Canvas video guide
- Canvas mobile guides
- Canvas Studio for students
- ConferZoom Student Information
- Turnitin user guide for students (anti-plagiarism service)
- Online proctoring - Proctorio
