Continuing Students

- 490 Continuing Students
  - (Less Fall 2020 and Spring 2021 Connect Up students & opt out/no response students)
  - Probably leaves us with about 250 students
- Do we have the capacity to invite them to Canvas?
- Do we have enough coaches?
  - Change in process: Students will not be auto-assigned to a coach; instead they will be asked if they want to be assigned on the Canvas site
