Subject: 2021-2022 Las Positas College Catalog

Dear Campus Community,

The Las Positas 2021-2022 Catalog is now available online at:

<http://www.laspositascollege.edu/class-schedule/assets/docs/catalog/catalog.pdf>

[LAS POSITAS COLLEGE](#)

Las Positas College Catalog 2021-2022 * Holiday/All Employees Note: The calendars noted above refer to regular, full-time classes only. Refer to current Schedule of Classes or the College

www.laspositascollege.edu

Despite a very challenging year, Las Positas faculty and support staff added very innovative curriculum to our offerings, including programs in **Data Analytics**, **Artificial Intelligence**, and **Red Hat Administration**, to name a few. We also expanded opportunity with 6 noncredit programs in **Automotive Concepts**. Finally, LPC very proudly now includes an Associate of Arts for Transfer in **Social Justice Studies: LGBTQ Studies** in its selection of Degrees and Certificates.

You will also find our cross-listed courses in Ethnic Studies included therein, designed to offer incoming Fall 2021 students the opportunity to meet the new CSU Area F: Ethnic Studies requirement. We are still awaiting approval, along with several more ADTs, and will communicate those decisions when known.

Many people reviewed and edited this publication. It is a powerful example of collective effort. Special thanks to Carolyn Scott and Craig Kutil for their assistance getting this Catalog to the finish line. And, we are so fortunate for the faculty leadership in curriculum provided by Elizabeth Owens.

Yours in service,

Kristina
