Classroom Equipment

All classrooms located on the Las Positas Campus are equipped with a number of audio visual features to enhance the learning experience. Projectors must be laser and meet the minimum standard of 6,500 lumens. This is to ensure the brightness of the image and also eliminating the need to change bulbs. Custom instructor desks hold the racked equipment that is required for the functionality of the learning environment. Computer systems are available at each instructor desk. Instructor desks are equipped with Extron Cable cubby's. The cable cubby allows for the connectivity and changing of laptops, tablets, and other mobile devices. Document cameras and visual presenters are also available in each learning environment.

In 2018 wireless collaboration was introduced into the newest audio visual standards. Las Positas is currently utilizing the Share-Link 2500 Series Wireless Collaboration unit. This technology allows instructors and students to mirror cast laptops, tablets, and other mobile devices to the audio visual system. The latest standard includes internet access for both hardwired and wireless devices. Mobile devices can also utilize wireless mirror casting or hardwired connectivity for audio and video. Visual presentation units, microphones, and assisted listening devices are also standard in all classrooms.

Standard Classroom Equipment

SP Controls SmartPanel Rooms

- HP DC7900 or 8000 Elite Convertible Minitower PC
- Samsung SDP-900DXA or SDP-960 Document Camera
- JVC DVD/VCR
- Link Electronics PCD-88 Closed Caption Decoder
- SP Controls SmartPanel Control System
- Hitachi CP-WX625 or Christie LW401 Projector
- EAW CAM60 Mixer Amplifier
- Shure SLX4 Wireless Receiver and Microphone

SP Controls PixiePlus Rooms

- HP DC7900 or 8000 Elite Convertible Minitower PC
- Samsung SDP-900DXA or SDP-960 Document Camera
- JVC DVD/VCR
- SP Controls PixiePlus Control System
- Hitachi CP-WX625 or Christie LW401 Projector
- Audix PH-3S Amplified Speakers
- Revolabs HD Single Channel Wireless Microphone System

SP Controls PixiePro Rooms

- HP DC7900 or 8000 Elite Convertible Minitower PC
- Samsung SDP-900DXA or SDP-960 Document Camera
- JVC or Toshiba DVD/VCR
- SP Controls PixiePro Control System
- Hitachi CP-WX625 or Christie LW401 Projector
- Toa BG-1000 Series Amplifier
- Revolabs HD Single Channel Wireless Microphone System
- Listen Tech LT-800 Assistive Listening Transmitter with LR-500 Receiver

New 2019 standards

- Spectrum Custom Instructor's desk. Custom mill work cut put for cable cubby
- Mobile Podium
- Projector 6,500 lumens with laser light engine and mounting hardware
- Da-Lite projection screen, Da-Snap or Tension in ceiling
- Assisted Listening for hearing impaired
    - 2-Channel transmitter/ radiator combo
    - IR Receiver
    - Stereo headphones
    - Charging tray
- 70V In ceiling/ surface mount speakers
- 70V Power amplifier
- 1080p Visualizer
- 3 Series 4K Presentation switcher
- TSW-760-TTK-B-S 7" Touch panel (10" for larger classrooms)
- Table top kit for TSW-760-B-S
- Shure ULXD4 Digital wireless receiver
- Shure ULXD1 Wireless body pack Transmitter
- Shure WL185 Lavalier microphone for ULDX1
- Share-Lik 2500 Series wireless collaboration
- Cable Cubby 700 w/o AC module
    - AC/ USB Power module
    - Cable retractor display port-M to HDMI-M
    - Cable retractor HDMI
    - Cable retractor VGA/ 3.5mm stereo
    - Cable retractor network CAT or Pass-through
    - Cable management unit
    - USB to Micro cable
- Tripp-lite RS-1215RA
- Furman PL-8C
- 5-Port POE switch
