Welcome to Las Positas College Concurrent Enrollment program

Our goal is to provide an inclusive learning-centered environment that provides educational opportunities and support students in completing their educational goals.

Las Positas College provides the opportunity for high school students in 09th, 10th, 11th and 12th grades.

Due to the COVID-19 virus, the health and safety of our students and employees remain as top priority. Consequently, we are trying to make the Concurrent Enrollment process easier for the students.
Students who desire to participate in concurrent enrollment must be recommended by their high school principal and have written parental permission. Further information on the Concurrent Enrollment policy is available at the student's high school, and at Las Positas College website under Concurrent Enrollment. [http://www.laspositascollege.edu/admissions/concurrent.php](http://www.laspositascollege.edu/admissions/concurrent.php)

Concurrent Enrollment is limited to a maximum of 11 units for Spring and Fall terms, and 6 units for the Summer session.

Enrollment in basic skills courses (English 100 level, all ESL courses, Math 100 level) are not allowed. Many courses require the completion of prerequisite courses taken at Las Positas College or their equivalent at another institution. For any further questions about prerequisites, please contact the Counseling department at lpc-counseling@laspositascollege.edu
High School students have to submit a Concurrent Enrollment form and an online application every term.

Students attending home school should also submit a copy of their R4 Private School Affidavits.

Please make sure to check the class schedule before choosing your classes.

Special programs:

- MATH 3 with Mr. David Powers, which is a 5-unit year long course. Students will receive an IP (in progress) grade at the end of the Fall term and a final grade at the end of the Spring term. Students must enroll in the second half of the class for the Spring term to receive credit.

- Concurrent Enrollment form for non-credit tutoring classes NMAT 202C. Students that are in the 09th, 10th, 11th or 12th grade are welcome to participate in the program. NMAT 202C is a non-credit math tutoring class open entry/open exit. Students can register for the class anytime during the term.

- Adult Education Concurrent Enrollment program, for more information about the Adult Education, please contact Emerald Templeton at: etempleton@laspositascollege.edu

• How many units do Concurrent Enrollment students can take?
All Concurrent Enrollment students can take up to 11 college units for Fall and Spring
semesters and 6 units for the Summer term.

• Do students have to pay for the College classes?
Students do not have to pay for the classes, but they have to pay for the student fees.

• How do I transfer my credits to high school?
High Schools decide if they accept our courses for High School credit. Students must
request Las Positas College to send transcripts to the high school. This is not done
automatically. Grades are issued approximately three to four weeks after the semester
ends.

• How will the credit from the college classes be counted in the high school?
A 3 credit college class translates to 10 high school credits. College classes that are more
than 3 credits can translate to as many as 15 high school credits.

• Will my credits transfer to another college?
Depending on the course work, most credits will transfer to other colleges and universities.
The student should always check with the college or university they choose to attend.
Please log in to Class-Web to register for classes.
