## CalWORKs Updates & Reminders

### New Attendance Report Forms

**Wednesday, July 1 @ 12:30pm**

**Thursday, July 2 @ 2pm**

This will be an excellent opportunity to become familiar with the new form while completing your June report.

### Spring 2009 Grade Report

Remember to submit your Spring 2009 final grades to the county. Your grade report can be printed and sent directly from the CalWORKs Office.

### Temporary Service Reduction

Due to current uncertainty regarding the state budget, the CalWORKs office is temporarily suspending services relating to work-study, childcare, transportation, and tutoring. We apologize for any inconvenience and will update students when we know what additional services we will be able to offer for the new school year.

### CalWORKs Counseling

During the summer, CalWORKs Counselor Jill Oliveira will be available for academic planning assistance on Thursdays, 10:00am-1:00pm. Contact the CalWORKs office for an appointment.
