Welcome to FALL 2022

Community Education at Las Positas College provides an avenue for all people in the Tri-Valley area to teach and to learn. We work cooperatively with a number of programs on campus in support of credit and noncredit students as well, to offer just-in-time and key learning that can only be provided through fee-based means, in a quick and timely manner.

This Fall, we are offering a limited number of in person campus classes and a Vaccination Mandate from the District for Community Education students is still in place. We appreciate your patience with this process for bringing Community Education students back to our Campus! Please feel free to call the office for more information on how to register. As always, there is more information at our website.

Whether you are coming to campus to learn Spanish or enjoying our online offerings like the Dabble In Writing Series this Fall, we encourage you to indulge your love of lifelong learning with Las Positas College!

Take care and take classes!
Frances DeNisco

A Glossary of Learning Terms

Scheduled classes will still have days and times listed for attendance, but you may be attending online. Instructors will email you access to the classroom just prior to the class start date for scheduled classes.

LIVE REMOTE
This class is conducted by an instructor live during class times listed.

IN PERSON
You will meet in person to take this class.

ONLINE (24/7)
This class is accessible 24 hours a day, 7 days a week.

Vaccine Mandate for “In Person” Classes
Effective January 3, 2022

In order to access the District’s campus and facilities, all persons must be fully vaccinated against COVID-19 and submit proof of vaccination.

Event and Performance Visitors: For reservation-based events at District facilities, including performance theatres, visitors will be subject to the vaccination requirement and verified prior to entrance. Additionally, event and performance visitors will be required to wear a mask while indoors at any district facility, and all large events will follow CDPH and local county health officer guidance.

There are no exemptions or alternatives available for Community Education students, because their attendance to Community Education classes is entirely voluntary, such as it is for other visitors to campus and campus events. All students ages 5 and up must be vaccinated to attend in person classes on campus at Las Positas college.

Definition of Fully Vaccinated: A person is fully vaccinated two weeks (14 days) after receiving the second dose in a two-dose series or following a single-dose vaccine. See the website for information on how to prove vaccination status and enroll for in person classes.

See the Community Education website: https://laspositas.augusoft.net for information on how to provide vaccination status and enroll for in person classes.

### Introduction to Yin Yoga
**Instructor:** Rodriguez | **Setting:** IN PERSON

Yin yoga offers many benefits that may help alleviate pain and tension, relieve stress and anxiety, and improve overall well-being. When practicing Yin Yoga you help connective tissue with a slow, steady load, because in Yin Yoga we hold the poses for longer. If you gently stretch connective tissue by holding a yin pose for 3 to 5 minutes in this way, the body will respond by making it a little longer and stronger.

Electric Vehicle Charging Station Design, Installation and Operation
Instructor: Abdul Setting: LIVE REMOTE

One of most growing businesses in USA and worldwide is electrical vehicle and EV charging station installation. Millions of electric cars, SUVs and trucks will be on the road in the next 10 years. To offset the carbon load on the environment, the government in California is hoping to make 100% of vehicles operate on battery power by the year 2035. This will require millions of charging stations to be installed at garages, parking lots, roadside electric poles, among many other convenient locations. Therefore, we need millions of EVCS installers and service providers all over US and worldwide. This course will offer A to Z of EVCS design, installation and operation, including troubleshooting the system once installed. This class is online live remote for lecture time of 12 hours.
