

COURSES THAT HAVE BEEN APPROVED TO SATISFY THE
AMERICAN CULTURES REQUIREMENT.

(updated 3/15/10)

The following is a list of courses that have met approval to satisfy Chabot's AC requirement. Copies of the catalog description and/or official course outline are available in my office: **You will need to write up a Course , use Box C on the new form.** Cite the course and sign off at the bottom.. our Dean will then need to also approve this. If you need to research a course you will need the catalog description or possibly the official course outline (I can obtain the course outline for you.)

All California Community Colleges on ASSIST:

Our AC requirement was modeled after UCB's AC requirement. It stands to reason that any class that satisfies the UCB requirement would satisfy ours. To find those approved community college classes go to ASSIST.org. Put the CCC in top box, UCB in the other. Pull up the majors list. The very top listing shows the courses from that school that have been approved for American Cultures.
