GROUP 1 – History 7 + History 8 GROUP 2 – Political Science 7 + History 7, 8, 25, or 32			
PLEASE NOTE THIS IMPORTANT INFORMATION 1. For a course to meet a CSU GE requirement the course must be on the CSU GE list during the academic year it is taken. 2. To earn a bachelor's degree from the California State University, students must complete a 48 unit program of general education . Las Positas College students can complete 39 of these units by completing the requirements listed in this chart. Completion of these requirements will permit a student to transfer from Las Positas College to the CSU without the need after transfer to take additional lower-division general education courses. Las Positas College will certify completion of 39 units of general education courses. The remaining 9 units of the required 48 must be completed after reaching upper-division status (completion of 60 semester units) and after transfer to the CSU. 3. Certification is not automatic. Students must request certification from the Las Positas College Counseling Office at the end of the last semester of attendance. The final transcript should be ordered at this time. Failure to complete full certification will cause courses to be reviewed differently at the receiving campus. 4. Students are strongly encouraged to meet with a counselor for help with selection of appropriate courses.
