### COLLEGE CREDIT FOR ADVANCED PLACEMENT (AP) TESTS

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A. general education (GE) and/or major requirements.

Students must have the College Board send AP exam results to the Admissions Office (hand carried copies will not be accepted) for use on the A.A. or GE patterns. College may differ from course credit and units granted by a transfer institution.

| Statistics   | Math 43      | Area A3 for AA/A2 for AA & Math Proficiency | Area B4 | 3 semester units | Area 2 | 3 semester units | 4 quarter/2.7 semester units |

AA: Students should be aware that AP test credit is evaluated by corresponding it to an equivalent ___________ College course, e.g. History 11. A student who receives AP credit and then takes the equivalent ___________ College course will have the unit credit for such duplication deducted prior to being awarded the A.A. degree. Credit by Advanced Placement exam is noted and listed first on a student’s transcript, with units assigned and no grade.

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breath requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breath area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breath requirements.

IGETC: AP exams must be used in area indicated regardless of where the certifying CCC’s discipline is located.
