You have the power to save a life. 

Every day, thousands of patients with leukemia and other life-threatening diseases hope for a potential marrow donor to make their transplant possible. 70% of patients, or 10,000 patients annually, must rely on marrow registry.

For the first time ever, Las Positas College 's Biology Club will be teaming up with Be The Match Registry® for a Bone Marrow Registry Drive.

Come learn how you can make a life-changing difference and save lifes by joining the registry.
