Receta Para El Mercado Recipe for The Market

Frijoles de la Olla

What you need:

Bag of beans

1 Whole onion

3 cloves of garlic

Salt to taste

Directions: First clean the beans. Then place them into a big pot. Water should be at least 3 inches over the beans. Add a whole onion (peeled, washed and cut off the top and bottom sides), add 3 cloves of garlic and some salt. Bring to a boil, then put on low/medium heat for about 1 to 2 hours. Beans are ready once cooked through. Pair it with rice or make a dip!
