

REQUEST TO PLACE A CAL GRANT ON HOLD DURING 2017-2018

Complete this form to place your Cal Grant on hold while attending Las Positas College (allows you to reserve your remaining grant for transfer)

CAL GRANT B DECLINE FORM

Students are limited to receive a Cal Grant for 400% (4 Full-Time equivalent years) of a Full Time Year.

Cal Grant B payments received are added together for all colleges attended in California to determine the percentage received.

It has been explained to me that I already have used _____ percent, according to the California Student Aid Commission's records.

This leaves me with _____ percent of remaining Cal Grant or approximately _____ full time equivalent years.

Since my plan is to transfer, I wish to reserve my remaining Cal Grant for my transfer institution so that I can be assured that I have enough Cal Grant remaining to pay for my enrollment/tuition fees upon transfer. <https://mygrantinfo.csac.ca.gov>
