When you apply for financial aid, we review your entire academic history and verify that you meet the satisfactory academic progress standards required by the Financial Aid Office. The Las Positas College Financial Aid Office requires that all students maintain the following standards of Academic Progress for eligibility for Federal and State Financial Aid.

- *Maintain a cumulative GPA of at least 2.00; must have 2.0 cumulative GPA after 4 terms of attendance
- *Successfully complete at least 67% of the credit hours you attempted in the previous semester with a 2.0 GPA.
- *Must not completely withdraw from classes or earn 0 units with 0.0 GPA during any term of attendance

Unfortunately, you do not meet minimum academic progress requirements and therefore are ineligible to receive financial aid such as Pell Grant, Supplemental Grant, Cal-Grant, Stafford Subsidized or Unsubsidized Loans, Federal Work-Study, and some scholarships. The academic Progress requirement does not affect eligibility for the Board of Governor’s Fee Waiver (BOG). **Please read the letter you received regarding your suspension status for the details of your deficiencies, and see the Las Positas College Financial Aid Satisfactory Academic Progress Policy for more information.**

If you feel there are **extenuating reasons**, which prevented you from meeting these criteria, you may request that the Financial Aid Office reconsider your eligibility based on those reasons. Submit the following to the Financial Aid Office:

1. **Read, complete and sign this petition form.**
2. **Attach documentation to support your petition (copies of medical or legal documents, etc.)**

Remember that submitting a petition does not guarantee it will be approved. Each case is reviewed and a decision determined on its individual merits. You will receive a written response in approximately two to three weeks from the date you submitted your completed petition packet. If you already registered for classes, you must make arrangements to pay for your charges and to purchase your books. If you have questions about your academic status or the petition procedure, make an appointment to visit your Financial Aid Advisor.
