**Background:** *(provided by Krista Johns, former CLPCCD Vice Chancellor)*

Contracts at CLPCCD need to have Board of Trustees approval. A contract is an agreement by any name (grant, terms of agreement, etc.) in which one party agrees to do/pay something in exchange for another party agreeing to do/pay (or not do) something. Key components of a contract include the start date, end date, terms, inclusion of the name “Chabot-Las Positas Community College District,” labor agreements, and activity outside the college’s normal scope of work, etc. Board Items must describe key aspects, start and end dates, summary of contract subject, funds payable or to be received by CLPCCD, etc.

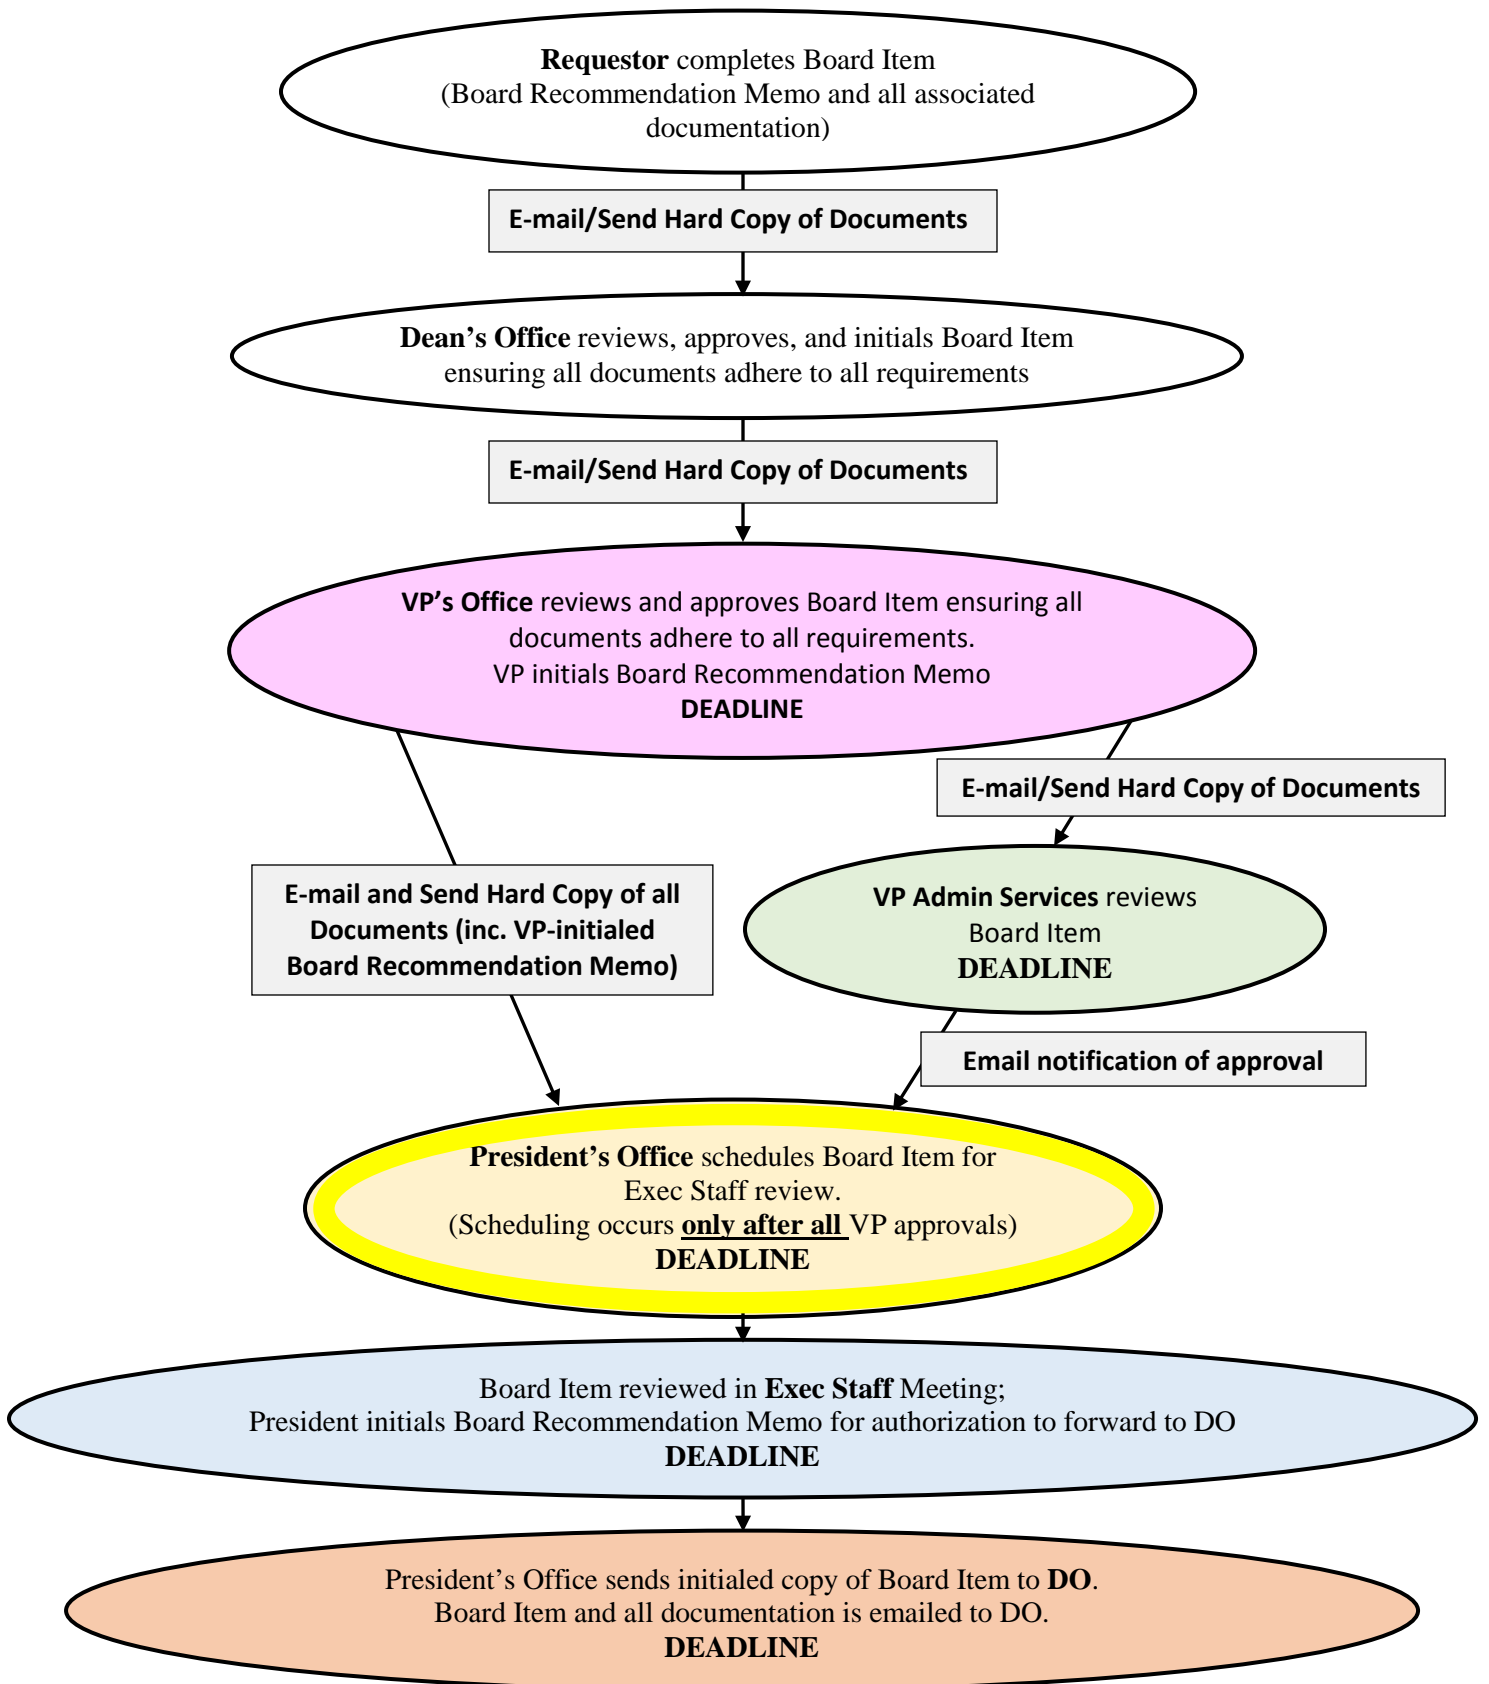

A contract cannot be in the name of “Las Positas College” only. It must be in the name of “Chabot-Las Positas Community College District, Las Positas College.” The LPC President, Vice Presidents, Deans, Administrators, Faculty, etc., may not sign contracts on behalf of LPC or CLPCCD. The Chancellor and Vice-Chancellors are the only District employees who may sign contracts.

The Board of Trustees reviews each contract in detail, including renewals of existing contracts. It is mandatory that Board approval be obtained before the contract starts. No matter what the terms, a contract takes effect when the Board of Trustees has approved it and it has been signed.

**Good Practices:** *(provided by Krista Johns, former CLPCCD Vice Chancellor)*

1. Calendar your contracts or create another tracking system.
2. Be personally proactive about getting Board Items processed in a timely manner.
3. Save approved Board Items to refer to as examples.
4. Work on standardized language for use across the college in contracts related to:
  - a. Internships, word based learning (student info, client info, college supervision);
  - b. Recommendation format and agenda item (e.g. subcontracts).
5. Consider standardized reminder emails from the college designee or administrators who move Board agenda items forward.
6. Toward the end of each year, review the Board Items that came out of your office for the year and flag recurring ones. Identify any grants or other projects that will need some sort of action. Note when the term ends. Begin to prepare for the upcoming items 2-3 months in advance. Identify any needed changes and contact the other party.

  - Approval of Sabbatical Leave Applications
  - Approval to Travel Abroad (Out of Country)
  - Approval of Work Plans
  - Award of Bids
  - Personnel: Employments, Resignations, Terminations, Transfers
  
2. Administrative Assistants are encouraged to be aware of Board Deadlines to assist faculty, program coordinators, Deans, etc. Know all Board deadlines (**including for the VP of Administrative Services and President's Office**) and allow sufficient time to move the Board Item through this process. The VP of Administrative Services requires three days to review Board Items. The President's Office deadline is based on the District's Board deadline. The Board Calendar with due dates is included in this document.

3. Determine the board documents that will be required for a complete “Board Item” packet, such as:
  - a. Board Recommendation Memo
  - b. Agreement, M.O.U., Attachments, Exhibits, etc.
  - c. Post-Board Instructions

Examples of board documents are included in this document. Board items that have been previously approved by the Board can be found on the CLPCCD Board of Trustees web site at: <http://www.clpccd.org/board/BoardAgendaArchives.php>

Note: For simplification of this Instruction Manual, all board documents will now be referred to as “**Board Item**” for the remainder of this document.

4. A **Board Recommendation Memo** will be required regardless of the type of “Board Item” being submitted.

**Exception:** “Information Only” items, such as Resignations, Releases from Probation, Part-Time Faculty Appointments, Short-Term and Substitute Appointments, and Professional Expert Appointments do not need a Board Recommendation Memo, but they still need to go through the same process and adhere to the same deadlines as other Board Items.

Complete the Board Recommendation Memo and include the appropriate Vice Chancellor’s name based on the type of Board Item.

**Human Resources: Job descriptions, hiring, retirements, etc.**

Vice Chancellor Wyman M. Fong

**Educational Services: Items impacting or coming from instruction, student services, learning support (students).**

Vice Chancellor (TBD)

**Business Services: Purchases, leases, business transactions, etc.**

Vice Chancellor Business Services, Ronald P. Gerhard

**Facilities Planning and Development:**

Vice Chancellor Facilities & Bond, Owen Letcher

**Economic Development/Contract Education:**

Vice Chancellor (TBD)

Also include the Chancellor’s name and approval line at the bottom of the Board Recommendation Memo.

Additional documents, including the Agreement or M.O.U. and all relevant backup documentation should also be prepared and accompany the Board Recommendation Memo. If exhibits or attachments are mentioned anywhere in the Board Recommendation Memo, Agreement, or M.O.U., they must be included as well.

5. For Board Items being renewed, provide historical documents on same/predecessor contracts. Also, make sure the “Subject” in the Board Recommendation Memo reflects that it is an “Approval of a Renewal to [insert subject of original Board Recommendation Memo here].”
6. If Board Procedures (BP’s) or Administrative Procedures (AP’s) are referenced in any Board Item, double check that the number of the BP or AP has not changed. BP’s and AP’s can be found on the District web site.
7. As Administrative Assistants are “gatekeepers” of board memos, they are required to review the Board Item (and **all** documentation) prior to submitting it to the Dean’s Office for initial approval. The review should ensure that all proper formatting and wording is correct based on the instructions in this document.
8. The Dean’s Office should provide a second review of the Board Item (and **all** documentation) during the Dean’s Review and Approval process. The Dean is responsible for ensuring that the proper formatting and wording is correct based on the instructions in this document. Once approved, the Dean will e-mail and/or send hard copies of the Board Item to their Vice President for review and approval.
9. The VP of Academic Services or Student Services reviews and approves the Board Item. The VP’s office is responsible for providing a third review to ensure that the proper formatting and wording is correct based on the instructions in this document. If approved, the VP’s Office will email and/or send hard copies to the Vice President of Administrative Services for review and approval. The VP’s Office will also initial the Board Recommendation Memo on the top right of the page and send the hard copy of the signed Board Item (including all attachments) to the President’s Office Executive Assistant. This signifies approval to the LPC President.
10. All typos and grammatical errors must be corrected before submitting to the President’s Office Executive Assistant. The Board Item will be returned to the VP’s office when serious formatting errors, missing documents, or discrepancies occur in the Board Item.
11. The VP of Administrative Services will review the Board Item and send an e-mail to the President’s Office Executive Assistant indicating approval of the Board Item.
12. Items must be received by the President’s Office deadline.
13. Once all VP approvals are complete, the President’s Office Executive Assistant will include the Board Item on the Exec Staff agenda (note the deadline on the calendar) for discussion and final approval by the President.
14. Once final approval is made by the President, the President’s Office Executive Assistant will email all documents to the District Office and send the hard copy of the initialed documents to the appropriate Vice Chancellor in the District Office (note the deadline on the calendar).
15. Once the Vice Chancellor approves the Board Item, the District will place it on the draft board agenda for the District’s Board Review meeting.

16. Once approved at the District's Board Review meeting, the item will be placed on the next board agenda.
17. If approved by the Board, the Vice Chancellor's Office will handle the Board Item based on the Post-Board Processing Instructions provided with the Board Item.

**Background:** The TVROCP has asked to place students enrolled in their Developmental Psychology of Children course at Las Positas College Child Development Center for their clinical and/or field experience training period. Two students would be placed at Las Positas College beginning October 17, 2018 through June 30, 2019. This partnership gives high school students an opportunity to work in a licensed child development center to gain insight, education, and experience working with children under 5 years of age. This partnership also exposes high school students to the Las Positas College environment and could potentially serve as a recruitment mechanism for future enrollment at the college.

**Recommended Action:** That the Board of Trustees approves the Agreement for Off-Site Training between Chabot-Las Positas Community College District, Las Positas College Child Development Center and Tri-Valley Regional Occupational Center/Program. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to approve the Agreement for Off-Site Training between Chabot-Las Positas Community College District, Las Positas College Child Development Center and Tri-Valley Regional Occupational Center/Program on behalf of the District.
