Further Work to Be Done:
(Consider What Senate Work vs. What Delegated to Other Stakeholders on Campus and at District)

BP/AP (year 1, spring)

Work with LPCSG, Chabot, and Vice Chancellor Ed. Srvcs. on 550
Provide more RAW advice on academic honesty, importance of using tools to do one’s own work, links to academic integrity website
Update plagiarism presentation and quiz for 104, 1AEX
Provide updated 1A/1AEX academic honesty labs for instructors
Consider use of Gonzales’ Academic Honesty unit or individually developed units in all 1A/1AEX classes
Create Academic Honesty Smart Shop worksheet that summarizes workshop info
Create Academic Honesty handout for RAW Center that is provided to every student, every visit

Senate (year 1, spring):
Develop list of strategies to prevent/respond to cheating and plagiarism and post on academic integrity website

PD, Curriculum? (year 2, fall)
Provide sample syllabus statements for faculty
Consider recommendations to include more in course outline content or measurable objectives regarding the importance and satisfaction of doing one’s own work, brain research, growth mindset (suggest same to library and tutorial?)
Create Sample Assignment Templates to Clarify Expectations
Support Reading Apprenticeship and holding students accountable for reading

(year 1, 2, 3)
Support Academic Integrity workshop of some kind at every Flex Day

(year 2)
Best Practices for Teaching Academic Integrity, Doing Own Work

(year 2, 3)
PD for Faculty on Teaching Academic Integrity, Doing Own Work

LPCSG (year 2, fall)
(year 2, fall)
Student Honor Code
Work with LPCSG on Events to Uplift Original Work, Celebrate Empowerment

DE/IT (year 2)
Consider purchasing Turnitin’s Authorship
Consider subscription to LTI for Hypothes.is, digital annotation add-on

Tutorial (year 2)
Partnership between Tutorial Center and RAW Center on plagiarism?
If SCFF proposal to identify, train, and pay students at student asst. rate to give Academic Honesty workshops in classes by teacher request doesn’t go through, request funds elsewhere.

Marketing (year 2, spring?)
Video: Secure grant money to work with students/LPCSG on video (looping in AB705 and challenging curriculum): defining the terms, discussing the students’ temptations and pressures to be academically dishonest -- then making an argument for why students should resist and resources for getting learning support.
