

Associate Degree for Transfer

Las Positas College offers an Associate Degree for Transfer (ADT). This degree is a pathway for transfer to the California State University (CSU) system. Students who complete an Associate Degree in Arts for Transfer (AA-T) or an Associate Degree in Science for Transfer (AS-T) will be guaranteed admission to the CSU system. In addition to the guaranteed admission, students will be given a special GPA advantage. Also, when applying to CSU impacted campuses or majors, and when admitted to a major that has been deemed similar to their associate degree major, they will need only 60 more semester units (or 90 quarter units) to complete a bachelor's degree. This ADT requires the completion of either the CSU General Education Pattern, or the IGETC for CSU General Education Pattern. Meet with a counselor to develop an individualized plan for an AA-T or AS-T.
