Joint Resolution on Chabot College as a Sanctuary Campus

WHEREAS Colleges and college districts have an obligation to provide all students with supportive learning environments free from fear, harassment, and discrimination; and

WHEREAS Chabot College has stated that its mission is to respond to the educational and workforce development needs of our regional population; and

WHEREAS Chabot College is a diverse institution inclusive of all backgrounds. Our campus empowers the underrepresented and underserved with respect to race, ethnicity, national origin, immigration status, religion, sexual orientation, gender identity, ability, and all marginalized people; and

WHEREAS Chabot College values, respects, and encourages cultural diversity in our curriculum, programs, and services and among our community of learners, teachers, and professionals; and

WHEREAS the Board of Governors of the California Community College system has resolved that: all 113 community colleges in California remain safe and open to students, regardless of immigration status, the state Chancellor's office will not release any personally identifiable student information without the proper documentation, and the Board of Governors encourages community colleges to consider our system's values when responding to requests for information from government agencies; and

WHEREAS the Chabot Senates agree with the Hayward Police Department's stated policy that they serve and protect the entire community, regardless of immigration status, and they do not serve as an agent of any federal agency; and

WHEREAS in the previous season of national presidential campaigning and the continuing national discussion, students from immigrant backgrounds, communities of color, LGBTQ students, Muslims, women, and people with disabilities were the targets of hate speech and threats incompatible with the inalienable rights of liberty and justice; and

WHEREAS our students have reason to fear for their safety based on proposed and enacted policies in the current political climate, such as targeting undocumented and Muslim immigrants, building a wall between the U.S. and Mexico, discriminatorily detaining and deporting specific groups, curtailing refugee admissions based on religion, national origin, and ethnicity, suspending visas from majority-Muslim countries, and revoking policies of inclusion for transgender individuals; and

WHEREAS many of our students are, or could be, affected by such policies and have legitimate fears for their security and their future; and

WHEREAS currently over 200 colleges and universities across the United States have petitioned to declare sanctuary; and

WHEREAS declaring Chabot College a sanctuary campus sends a powerful message of support to community members that Chabot College is an institution they can trust to provide safe spaces to learn and work free from harassment or intimidation; and

THEREFORE, BE IT RESOLVED that the Chabot College Academic Faculty Senate, Classified Senate, and Student Senate call for Chabot College to become a sanctuary campus and publicly **REAFFIRMS**

(a) Our historical position that all people—regardless of immigration status, race, national origin, sexual orientation, gender, gender identity, ability, ethnicity or religion—should be free of discrimination, verbal or physical attacks; and

(b) Our historical commitment to a safe learning environment for all students through respectful work in all campus spaces, providing inclusive materials in our curriculum, and utilizing supportive interactions with all students in our role as mentors and peers.
