LPC/ DISTRICT INSTITUTIONAL PRACTICES TO MEET BOARD POLICY
The LPC Curriculum Committee (a subcommittee of the LPC Academic Senate) has Senate approved procedures for curriculum and program development. The Board of Trustees typically approve all curriculum as informational items (they do not discuss, but rely primarily upon our expertise). We do not currently have a process to standardize curriculum across the campuses.
ACCREDITATION SELF STUDY AND ANNUAL REPORTS

The LCP Senate appoints faculty leads to each step of the accreditation process in consultation with the College President. College Council oversees Accreditation. The District ESS Committee oversees the process from a district level, but only the colleges are accredited.
EDUCATIONAL PROGRAM DEVELOPMENT

We use the Curriculum Committee, and at times, the Planning Committee, for generating new programs, the Senate approves new programs, and collaborate with Administration and CEMC for FTEF. We have a process for educational program development involving a number of committees.
Too many to count!!! Committees include Distance Education, Guided Pathways, Student Equity and Achievement, Student Learning Outcomes…. And various task forces at any given time!
DISTRICT AND COLLEGE GOVERNANCE STRUCTURES AS RELATED TO FACULTY ROLES

We have both a College Council and a Chancellor’s Council which bring together governing bodies for participatory discussions related to various college and district wide structures. We will be evaluating the District governance structure this Fall.
We have a College Wide Professional Development Committee that includes faculty, classified and administrative development. This summer in collaboration with the Faculty Association we negotiated a District Wide Professional Development Program for Online Pedagogy for Teaching Faculty.
Our Program Review Committee provides guidance for both writing and evaluating self assessments for the various academic and support programs.
LPC has 5 committees that flow into our Planning and Budget Cycle – the Budget Committee, IPC (Institutional Planning Committee), RAC (Resource Allocation), Faculty Hiring Prioritization, and CEMC (Enrollment Management) with College Council having oversight. At the District Level we have DEMC (District Enrollment Management) and PBC (Planning and Budget)
1 – Enrollment decline and recapturing strategies
2 – SCFF – Funding Formula, Budget Allocation Model
3 – AB705 Outcomes and Evaluation
4 – Faculty Diversification
5 – Implementation of two resolutions: supporting LGBTQ+ communities and combatting anti-Asian racism
6 – A continuation of addressing anti-Black racism and inequities built into scaffolding documents and institutional habits

2021 CHALLENGES
Presidential Goals for 2021-22

1) BAM SCFF Reconstruction
Work with college and district committees towards a more effective allocation model
Need a data cleanup – make sure we are accurately reporting and accurately receiving all metric points possible
Presidential Goals for 2021-22

2) Faculty Diversification (statewide goal)
LPC has improved significantly since 2000, yet still has not done as well as Chabot in creating a full time faculty population more representative of its student body. Both colleges struggle with diversification with part time faculty. Last year we had a joint committee with the FA to discuss this – the number of classes we may be cancelling make this an even more important issue – we may also be taking advantage of state initiatives to raise our FON and hire more faculty.
