

ALLAN HANCOCK COLLEGE HONOR PLEDGE

As a member of the student body of Allan Hancock College, I confirm my commitment to the ideals of civility, diversity, and excellence because Bulldogs are:

Ethical in our decisions and actions

Responsible, and know how to have fun

Positive citizens in a global environment

Self-disciplined and act with integrity

Considerate to the rights of others and their freedom of expression

Inventive of the future and honoring the past

Appreciative of our learning community

Respectful and supportive community members

Recognizing the significance of personal integrity in establishing these ideals within our community, I pledge that I will not lie, cheat, steal, plagiarize, nor tolerate these behaviors in others.
