

LAS POSITAS COLLEGE
CLASSIFIED SENATE PRESIDENT'S REPORT

Board of Trustees Meeting
Tuesday, July 21, 2009

Thank you very much for welcoming me at the last Board Meeting. I am excited to see what the next year is going to bring for the Las Positas College classified professionals.

I am looking forward to working together as a team with the other classified members; although the economic landscape is rapidly changing before our eyes, I know that our LPC team will pull together and have a fulfilling year.

My goal is to bring a renewed sense of faith, as I believe attitude is contagious, and my hope would be that we continue to work collaboratively with faculty and administrators and strengthen our voice as classified professionals.

We have begun the planning process that will hopefully ensure a productive year. There is much work to do and I believe that we will create a pathway and strengthen the foundation for future Classified Senates.

I would like to take this opportunity to acknowledge Karen Zeigler for her service over the past year as the 2008/2009 LPC Classified Senate President. She has worked hard on our behalf, and her efforts and dedication are appreciated by the entire classified staff.

Thank you very much for this opportunity, and I look forward to the coming year.
