Hello Classified,
We will be having a Senate meeting this Thursday, November 10th at 1:00pm in B900.

The agenda is attached but I'd like to encourage your participation as President Russell will be joining us at 1:30 for a small group discussion on facilities planning at LPC. For anyone who has been involved in Measure B projects you know how important the classified voice is in this.

Hope to see you then.
Amanda and Heidi
