Instructional equipment requests are now due in the fall, rather than the spring so that faculty can receive equipment before the end of the year.

If we have enough funding available, we may have another request in the Spring, possibly February, Diane Brady will let us know. The new bond measure allows \$6 million per college over 5 years.

The next meeting we will discuss the instructional equipment requests.

Position requests are due 10/10 and will be ranked in November.

The calendar for meetings was handed out and the next meeting will be 10/4/2018.
