LPC Mission Statement

Las Positas College is an inclusive learning-centered institution providing educational opportunities and support for completion of students’ transfer, degree, basic skills, career-technical, and retraining goals.

LPC Planning Priorities

- Implement the integration of all ACCJC standards throughout campus structure and processes.
- Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across campus.

• Extra Curriculum Committee Meeting- Finals Week
  Craig Kutil
  Elizabeth Owens stated that we need another meeting during finals week to get all curriculum through this semester. The meeting would only be for voting. This should be a quick meeting. The committee did not have any concerns. This meeting will take place December 14th at 2:30pm.

8. Report
• Vice President’s Report
  Kristina Whalen
  Kristina Whalen submitted our Annual Curriculum Certification to the Chancellor’s Office. There is a statewide conversation around cultural curriculum audits. This is also part of our college President’s Call to Action. Please email VP Whalen if you would like to be part of a small cohort of faculty to complete an
audit for our campus this spring. She has many resources to provide. This will be part of a guided, facilitated effort.

- **Chair’s Report**
  Elizabeth Owens stated that it is crunch time. Deans & Curriculum Tech reviewers please process all proposals ASAP. A note for our tech reviewers, please be mindful when processing DE addendums. Please make sure they have the minimum number of interactions, that the methods of evaluations match the course outline of record, “as needed” is not used and there is no mention of COVID-19.

- **Articulation Officer’s Report**
  Craig Kutil stated that he is going to be leading the Academic Senate’s Credit for Prior Learning Taskforce. He will be setting up meetings with interested faculty in December. Those proposals will then be coming to the Curriculum Committee for approval.
