

**LPC Mission Statement**

Las Positas College is an inclusive learning-centered institution providing educational opportunities and support for completion of students' transfer, degree, basic skills, career-technical, and retraining goals.

LPC Planning Priorities

- ❖ Implement the integration of all ACCJC standards throughout campus structure and processes.
- ❖ Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- ❖ Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across campus.

7. Report

- **Vice President's Report** **Kristina Whalen**
Kristina Whalen thanked the committee for all their hard work on DE & CE addendums this semester. This will allow for maximum flexibility and allow us to reach new student populations. We have won a grant to develop our programs at the Women's Federal Correctional Institute in Dublin. There has been progress in working through some technological issues with Chabot on the OEI (California Virtual Campus).
- **Chair's Report** **Elizabeth Owens**
Elizabeth Owens stated that the equity page is up in CNET and will be effective for proposals entered in the new year. She thanked Erick Bell, Shawn Taylor & Craig Kutil for their hard work on this page. The Spring 2021 Catalog Addendum will be published before the end of the semester. Madeline has updated several Certificates of Achievement in the COCI to meet new certificate unit categories. All curriculum approved this semester will go to our January Board.
- **Articulation Officer's Report** **Craig Kutil**
Craig Kutil stated that the CSU Academic Senate sent a resolution to CSU Chancellor's Office slightly modifying the core competencies for Ethnic Studies, adding the specific ethnic groups to each sentence. CSU Area D was 9 units and has been reduced to 6 units (must be from two different disciplines) to make room for the new Ethnic Studies requirement. This will change the double-counting for many degrees. This will especially affect the Business AS-T, as our unit requirements are higher than the TMC. There will be a breakout after Wednesday's Town Hall meeting for the Credit for Prior Learning Taskforce.
