

ACCJC Accreditation Standards Feedback Form

Background/Context

The Accreditation Steering Committee (ASC) has mapped the 2014 ACCJC accreditation standards to committees and offices to ensure the integration of the work around accreditation. In order to help integrate the standards in a meaningful and tangible way, the ASC would like your committee, workgroup, or office to examine the standards included here and determine what work needs to be done to meet each of the standards. This work needs to be addressed in our 2022 Institutional Self Evaluation Report (ISER) which must be completed by the Fall 2021.

Adding Language to Committee Charge

The ASC is asking that all committees add standard language to their charge that signifies that they are examining the relevant ACCJC standards and that integrating work on the standards into their regular responsibilities. please add the following language to your charge when you evaluate the committee's charge in the 2019-2020 academic year:

- Reviewing, documenting, and reporting on accreditation standards linked to the committee's charge

2014 ACCJC Standards from the ASC

ASC is requesting that your committee/office review the standard(s) that is (are) attached to this document and answer the following. If you have received multiple standards, please organize your responses by including the standard letter and numbers (For example, Standard 1.A.1) that were included with the standard.

1. The following standards have been assigned to your committee, workgroup, or office.

III.B.1. The institution assures safe and sufficient physical resources at all locations where it offers courses, programs, and learning support services. They are constructed and maintained to assure access, safety, security, and a healthful learning and working environment.

III.B.2. The institution plans, acquires or builds, maintains, and upgrades or replaces its physical resources, including facilities, equipment, land, and other assets, in a manner that assures effective utilization and the continuing quality necessary to support its programs and services and achieve its mission.

III.B.3. To assure the feasibility and effectiveness of physical resources in supporting institutional programs and services, the institution plans and evaluates its facilities and equipment on a regular basis, taking utilization and other relevant data into account.

III.B.4. Long-range capital plans support institutional improvement goals and reflect projections of the total cost of ownership of new facilities and equipment.
