## III. Health Center Report (Continued)

- Upcoming event each mind matters Thursday 10/20/2016 10:30 am-1:00 pm Quad
  - Crisis support services of Alameda County call, text or chat
  - New Support Group Stress Management Support Group
  - See complete calendar at the bottom of minutes
  - Dayna has put together an abbreviated first aid action plan for seizures in the classroom to aid instructors on what to do in the event of a seizure medical emergency

## III. Roundtable

- Committee member brought up her health concerns about the mice infestation mentioning specifically the lockers in the science building. If you have any concerns contact Richard Duchscherer.
- Parking lot B construction parking spaces that were reassigned back to the campus for general parking will be revoked again and designated back to construction parking spaces again. This is to allow big trucks to access the construction area for material deliveries.
- There will be an addition of parking spaces added for staff at the beginning of the new semester to accommodate the inundation of vehicles on campus.

- Thanks to the Vice President of Administrative Services office the Campus Safety office received funds to purchase 150 new first aid kits to distribute to key areas of the campus. So far about half of the kits have been installed. These kits will be mounted on the wall near the door or common area. Campus Safety will restock these kits as needed. There will be a tag on the kit with a sticker indicating the last time the kit was serviced and the Campus Safety phone number.
- A committee member brought it to the committee about the unsafe driving activity that occurs in space between parking lot D and lot E. Many driver do not obey the directional signage and enter or exit out of the incorrect location.
