- 1/24, 1/30, 2/7- Chill and chat peer facilitator
- 1/31- Blood drive marketing on Campus

III. Roundtable

- In reviewing the crime stats there were a total of 130 incident reports written for the year of 2016. The majority of the calls for service were medical reports comprising 26% of the total reports written.
- There was a felony hit and run 20001 CVC, this was an incident were a Campus Safety officer's foot was ran over purposely.
- Two vehicle thefts on campus for the year this is very low considering the amount of cars parked on campus at any one time. Surrounding parking lots have a higher incident of theft then our campus.
- There will be an addition of parking spaces added for staff at the beginning of the new semester to accommodate the inundation of vehicles on campus. This will be an ongoing event for the next few years. It will be announced again toward the beginning of each new semester as a reminder.
- Sixteen more appointment slots available this semester for MFT.
- The flu and upper respiratory infections cases are still being reported

- Chill and chat every Tuesday 2-3pm room 1726- learn to cope, test anxiety, time management, relationship issues, stress management
