The health center has been working with the District office with the help of Mujeeb Dadgar to email all students directly informing them of the services that are available to them from the health center such as Chill and Chat and other services.

5. Old Business

6. New Business

Sean informed the committee that Mr. Garcia is separating from the District. The Campus Safety department is not back under Business services. VP of business service is supportive of the Security master plan and keeping the master plan moving forward.

The Campus emergency line is now operational again. Sugi worked with the vendor and they devised a work around to keep the system functioning. You may have received an email about the internal 911 emergency line not working this is what it was in reference to. Our Campus Safety radios are eleven years old and a part broke that allows them to work as a telephone if the Campus officer is not in the office.
