LAS POSITAS
COLLEGE

Community Education Update

LAS POSITAS

History and Mission

Community Education began in earnest at Las Positas in 1998 when Professor Eric Golanty started offering a small range of computer classes for a fee to the Tri-Valley. Karen Halliday, VP Student Services, picked up the program and nurtured it.

Had our 20th Anniversary as a program last year!

Program Mission:

Community Education at Las Positas College is an inclusive, learning-centered program providing educational and personal enrichment opportunities to all Community members. The program supports the life-long learning goals of all students (both for-credit and not-for-credit) to enhance their basic skills, career and technical training, retraining and personal enrichment objectives, and to help all community members meet their personal and professional goals.

Las Positas College Values

Las Positas College Values Statement

Las Positas College thrives as a collaborative **teaching and learning** community committed to integrity and excellence by:

Encouraging and celebrating lifelong learning

Responding to the needs of the ever-changing workplace

Demonstrating civic, social and environmental responsibility

Promoting ethical behavior, tolerance and mutual respect in a diverse community

Fostering a climate of discovery, creativity and personal development

Holding firm to the belief that each of us makes an astonishing difference.

What Community Education Does:

Community members meet the college

Incubator for new curriculum

Insight into trends in the Community

Nimble response to Community educational needs

Provide a low-pressure venue for the community to participate in College life as both student and instructor

Small Business Training

Campus Partnerships

Pathway into credit courses

Other pathway opportunities for students
